Attestation Statements
Not Covered Entity Applicant & Not Covered Equipment

To: Federal Communications Commission
2025

Date: September 23,

7435 Oakland Mills Road,
Columbia, MD 21046, USA

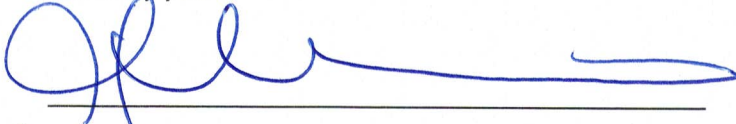

Ref: Information Required by Section 2.911(d)(5)(i) & (ii)

FCC ID: 2AKFE-D4511

FRN: 0026055079

The Art of Utility AB ("the applicant") certifies that, as of the date of the filing of the application, the applicant is not identified on the Covered List, established pursuant to § 1.50002 of reference chapter, as an entity producing "covered" communication equipment. The equipment for which authorization is sought is not "covered" telecommunications equipment and video surveillance equipment produced by entities identified on the Commission's Covered List that prohibited from receiving an equipment authorization pursuant to section § 2.903 of the FCC rules.

Sincerely yours,

Applicant Signature
