How do I make a claim on my Defunc product?

If you receive your goods and discover that it is damaged, or have other defects, please contact customer service: defunc.com/support/ Scroll down and click on the <GET IN TOUCH> button. Provide us with your contact and purchase details.

Compliance with FCC regulations

Caution! The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment on and off, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. THE SPECIFICATION AND EXTERNAL APPEARANCE OF THE EARBUDS MAY BE SUBJECT TO CHANGE WITHOUT PRIOR NOTICE.

If at any time in future you should need to dispose of this product, please note that waste electrical products should not be disposed of household waste. Please recycle where facility exist. Check with your local authority or retailer for recycling advice.

FCC WARING

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This

equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC RF Exposure Warning Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment can be used in portable exposure conditions.

TRUE ANC II

QUICK START GUIDE

FULL MANUAL

defunc

THANK YOU FOR BUYING A DEFUNC PRODUCT!

Get started by downloading the Defunc app **Defunc Ai** where you download your apps. It opens up a world of opportunities for how to optimize your TRUE ANC II earbuds and offers additional features for your device. Download below:

How do I get started?

- 1. Make sure the earbuds are fully charged. Do this by charging the earbuds in the charging case until all 4 white lights are lit, for 5 seconds.
- 2. Open the charging case. The earbuds will automatically power on and pair with each other when taken out of the case.
- 3. When the white lights flash, the earbuds are ready to pair with your device.
- 4. Turn on the Bluetooth function on your device. Select Defunc TRUE ANC II in the Bluetooth list to pair the earbuds with the device.

GETTING STARTED

Remove the plastic sticker on the buds, and place the earbuds in the case to charge them.
