

defunc + Bluetooth™

OPERATION MANUAL

Dear Customer

Thank you for using the Defunc BT Plus Bluetooth® headphones. Please read this manual carefully and follow the instructions listed in order to optimize the use of your new headphone, and enjoy your music the way it was meant to be heard.

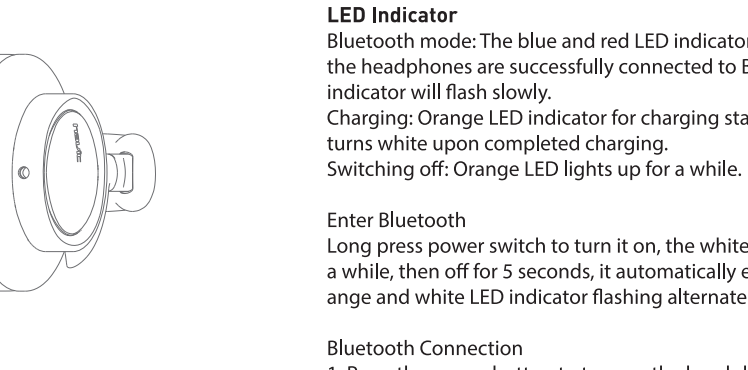

WHAT'S INCLUDED

- Defunc BT Plus Bluetooth® headphones
- Micro USB Charging Cable
- Dual 3.5mm Audio Cable
- Warranty Card

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.

Buttons Instructions

Note: The headphones can be used as wired headphones, if connecting with a dual 3.5mm audio cable. The buttons will not be functional in wired mode. Before switching from wired to Bluetooth mode, please stop any music in wired mode, in order to prevent double sound.

1. PREV/VOL+ Bluetooth mode: Short press for PREV, Long press for VOL+
2. NEXT/VOL- Bluetooth mode: Short press for NEXT, Long Press for VOL-
3. POWER SWITCH: Long press to power ON/OFF Short press to PLAY/PAUSE, Short press to answer/hang up phone calls Long press to reject incoming calls, Press twice to re-dial last number.
4. LED Indicator
5. Micro USB Jack
6. Mic

LED Indicator

Bluetooth mode: The blue and red LED indicators flash alternately, when the headphones are successfully connected to Bluetooth devices. The LED indicator will flash slowly.

Charging: Orange LED indicator for charging status. The LED indicator turns white upon completed charging.

Switching off: Orange LED lights up for a while.

Enter Bluetooth

Long press power switch to turn it on, the white LED indicator lights up for a while, then off for 5 seconds, it automatically enters pairing with the orange and white LED indicator flashing alternately.

Bluetooth Connection

1. Press the power button to turn on the headphones, then enter pairing status of the Bluetooth mode.

2. When the orange and white LED indicators flash alternately, turn on the Bluetooth function of the Bluetooth devices (mobile phones, computers, etc.), and search for Bluetooth devices, "F9".

3. Manually click, then the device connects automatically. When Bluetooth is successfully connected, the LED indicator will be off with a voice prompt. (The password is "0000". Generally, the password is not needed)

Multi-Point Connections

1. Disconnect with the first device and restart the headphones to pairing status before connecting the second device, then restart the Bluetooth function of the first device and manually reconnect with it.

Note: If you want to play music via the second device while the first device is playing, please exit the music application on the first device, then play music on the second device.

2. One phone is making a call, while there is an incoming call of another one.

- Long press MFB for 1 second to reject.
- Press MFB twice to maintain the current call and answer the incoming call.
- Short press MFB to hang up the current call and answer the incoming call.

3. One phone is making a call, while the call of another one is maintaining.

- Press MFB twice to maintain the current call and answer the call of another which is maintained before.
- Short press MFB to hang up the current call and answer the call of another which is maintained before.

Charging Method

Connect the provided Micro USB charging cable to a computer or USB charger. Orange LED indication for charging status. The LED indicator turns white upon completed charging.

Low Battery

If the battery is low, the speaker will automatically turn off. Please charge in time. If you haven't used it for a long time, please charge at least once a month, which can protect the battery.

Warm tips

In order to extend the speaker service life, it is not recommended to adjust the speakers to the maximum level for a long time.

Wired Mode - Dual 3.5mm Audio Cable connected to Audio Jack (Without Microphone Function)

1. Plug and play: Connecting the headphones to music players with the provided dual 3.5mm audio cable, the headphones can be used as wired headphones without starting.
2. Actually, the buttons are invalid in wired mode.

Technical Specifications

Chip: CSR8635

Bluetooth Version: V4.1

Wireless working range: 10m (without obstacles)

Charging means: Micro USB

Speaker: Ø40* 19* 32Ω

Speaker sensitivity: 112±3dB at 1KHz; 1mW

Rated power: 8mW-12mW

Input voltage: DC 5V

Battery: Rechargeable 3.7V 300mAh Li-Polymer battery

Play time: Up to 7h

Talk time: Up to 7h

Charging time: About 3h

Standby time: Up to 200h

Voice chat: supported

Voice prompt: supported

Important Safety Instructions

Please read all safety and operating instructions carefully before installation and use, and keep these instructions handy for future reference.

Take special note of all warnings listed in this user's manual.

1. ATTACHMENTS - Do not use attachments not recommended by the manufacturer.

2. WATER AND MOISTURE - The unit should not be used near water.

For example: near a bathtub, washbowl, kitchen sink, laundry tub, swimming pool or in a wet basement.

3. VENTILATION - The unit should be situated so that its location or position does not interfere with its proper ventilation. For example, it should not be placed on a bed, sofa, rug or similar surface that may block ventilation openings. Also, it should not be placed in a built-in installation, such as a bookcase or cabinet, which may impede the flow of air through the ventilation openings.

4. OBJECTS AND LIQUID ENTRY - Care should be taken so that external objects do not fall into and liquids are not spilled onto any openings or vents located on the product.

5. POWER SOURCE - The unit should be connected only to a power supply of the type described in the operating instructions or as marked on the unit. If you are not sure, please consult the dealer or local power company.

6. HEAT - The unit should be placed away from heat sources such as radiators, heat registers, stoves or other appliances (including amplifiers) that produce heat.

7. SERVICING - The user should not attempt to service the unit beyond those methods described in the user's manual. Opening or removing covers will expose you to dangerous voltage and other hazards.

Service methods not covered in the user's manual should be referred to qualified service personnel.

Compliance with FCC regulations

Caution!

The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate Radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to Radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to Radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from which the receiver is connected.
- Consult the dealer or an experienced Radio/television technician for assistance.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

THE SPECIFICATION AND EXTERNAL APPEARANCE OF THE HEADPHONES MAY BE SUBJECT TO CHANGE WITHOUT PRIOR NOTICE.

If at any time in the future you should need to dispose of this product, please note that waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your local authority or retailer for recycling advice.

Limited Warranty

The Art of Utility AB warrants to the original purchaser that the product will be free from defects in material, parts and workmanship for the period designated for this product. The warranty commences the day the product is purchased and covers up to a period of one (1) year. The Art of Utility AB agrees that it will, at its option, replace the defective product with either a new or remanufactured headset equivalent to your original purchase during the warranty period. Should the Parts warranty period exceed the Labor warranty period, The Art of Utility AB will supply at no charge for the remainder of the Parts warranty, any new or remanufactured replacement parts as required by the product. During this period all labor and service charges will become the responsibility of the customer.

Exclusions:

This warranty does not apply to the appearance or exterior of the product which may have been damaged or defaced, altered or modified in design or construction. This warranty does not apply if the serial number is altered or removed, or if there is any damage due to power line surge, user damage to the AC power cord, connection to improper voltage source, general misuse, accidents, or repair attempts by unauthorized service agents. Other exclusions include ear pads, rechargeable and non-rechargeable batteries.

REPAIR OR REPLACEMENT AS PROVIDED UNDER THIS WARRANTY IS THE EXCLUSIVE REMEDY OF THE CUSTOMER; THE ART OF UTILITY AB SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT, EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW. ANY IMPLIED WARRANTY OF MERCHANTABILITY OF FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED TO THE DURATION OF THE WARRANTY.

Obtaining service

To obtain service, product literature, supplies or accessories please call or visit our website, to create a ticket for exchange/repair. Please make sure to provide the date of purchase, model number and a brief description of the problem. Our customer service representative will contact you or send detailed return instructions.

The Art of Utility AB does not warrant that the headset will work properly in all environmental conditions, and makes no warranty and representation, either implied or expressed, with respect to the quality, performance, merchantability, or fitness for a particular purpose other than the purpose identified within this user's manual.

The Art of Utility AB has made every effort to ensure that this user's manual is accurate and disclaims liability for any inaccuracies or omissions that may have occurred. Information in this user's manual is subject to change without notice and does not represent a commitment on the part of Concept 101 LLC. Concept 101 LLC reserves the right to make improvements to this user's manual and/or to the products described in this user's manual at any time without notice. If you find information in this manual that is incorrect, misleading, or incomplete, please contact us through our website.

REPAIR OR REPLACEMENT AS PROVIDED UNDER THIS WARRANTY IS THE EXCLUSIVE REMEDY OF THE CUSTOMER; THE ART OF UTILITY AB SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT, EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW. ANY IMPLIED WARRANTY OF MERCHANTABILITY OF FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED TO THE DURATION OF THE WARRANTY.
