

LED Bulb
User manual

Model: 9WA19RGB+CCT

Parameters

Name	LED Bulb
Model /HVIN	9WA19RGB+CCT
Power Rated	9W
Lamp Interface	E26
Luminous Flux	800lm
Wi-Fi Standard	2.4GHz
Color Temperature	2700K-6500K
Input Voltage	US/CA: AC 120V, 60Hz
FCC ID	2AKG3-A19

Connection Process

1. Install the Teckin bulb

2. Access to power

3. Open Teckin App and choose the mode

4. Done

Select Mode

Color mode

Color temperature
mode

Get Teckin App

iOS

Android

Works with Alexa & Google Home

How to Set up

1. Download the "Teckin" App and create an account.
2. Connect the bulb to the power source.
3. Open the app and click "Add Device" on the front page, Click "NB50".
4. Choose one connection method and follow the instructions on the app :

EZ Mode

Switch 3 times
normally

Bulb flashed
quickly

AP Mode

Bulb flashed
quickly

Switch 3 times
normally

Bulb flashed
slowly

Note

1. Beware of electricity while connecting.
2. AP/EZ mode will not show out if the switching speed is too fast.
3. 5GHz network is not supported, [2.4GHz only](#).
4. If you have any problems connecting please contact customer service and we will reply back to you within 7 hours.
5. Don't put it in your mouth!

Warranty

1. 30-day return policy & 2-year limited warranty.
2. Timely customer service via support@teckinhome.com
3. Lifetime professional tech support provided by Teckin.

Como instalar

1. Téléchargez l'application "Teckin" et créez un compte.
2. Connectez l'ampoule à la source d'alimentation.
3. Ouvrez l'application et cliquez sur "Ajouter un appareil" sur la page d'accueil, cliquez sur "NB50".
4. Choisissez une méthode de connexion et suivez les instructions sur l'application:

Modo EZ

Commutez 3 fois
normalement

L'ampoule a
clignoté
rapidement

Modo AP

L'ampoule a
clignoté
rapidement

Commutez 3 fois
normalement

L'ampoule a
clignoté
lentement

Noter

1. Méfiez-vous de l'électricité lors de la connexion.
2. Le mode AP / EZ ne s'affichera pas si la vitesse de commutation est trop rapide.
3. Le réseau 5 GHz n'est pas pris en charge, **2,4GHz uniquement**.
4. Si vous rencontrez des problèmes de connexion, veuillez contacter le service client et nous vous répondrons dans les 7 heures.
5. Ne la mettez pas dans votre bouche!

Garantie

1. Politique de retour de 30 jours et garantie limitée de 2 ans.
2. Service client en temps opportun via support@teckinhome.com.
3. Assistance technique professionnelle à vie fournie par Teckin.

FCC Statement

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

(1) This device may not cause harmful interference.

(2) This device must accept any interference received, including interference that may cause undesired operation.

"Please note that changes or modifications of this product is not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

When using this equipment can generate and radiate radio frequency energy so if not installed and used in accordance with the instructions, which may cause harmful interference to radio communications, but it does not guarantee that interference will not occur in a particular installation.

However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Radiation Exposure Statement
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.
This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.
This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

IC Warning

English:

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

French:

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Under Industry Canada regulations, this radio transmitter may only operate using an antenna of a type and maximum (or lesser) gain approved for the transmitter by Industry Canada. To reduce potential radio interference to other users, the antenna type and its gain should be so chosen that the equivalent isotropically radiated power (e.i.r.p.) is not more than that necessary for successful communication.

Selon les règlements d'Industrie Canada, cet émetteur radio ne peut fonctionner qu'à l'aide d'une antenne d'un type et d'un gain maximal (ou moindre) approuvé pour l'émetteur par Industrie Canada. Pour réduire les interférences radioélectriques potentielles avec d'autres utilisateurs, le type d'antenne et son gain doivent être choisis de telle sorte que la puissance équivalente rayonnée (p.i.r.e.) ne soit pas supérieure à celle nécessaire pour une communication réussie.
