Model: CH-C09D(black)

EUT View 1	 A photograph showing the front view of a black rectangular device, identified as Model CH-C09D. The device is positioned vertically on a blue textured surface. It features two circular components: a top circular area with a lens and a bottom circular area with a small white dot. A black ruler with white markings is placed horizontally to the left of the device, showing measurements in millimeters and centimeters. The device's height is approximately 100 mm.
EUT View 2	 A photograph showing the back view of the same black rectangular device. It is positioned vertically on a blue textured surface. The back panel is black and features a central square component and two oval-shaped components, one above and one below the square. A black ruler with white markings is placed horizontally to the left of the device, showing measurements in millimeters and centimeters. The device's height is approximately 100 mm.
