

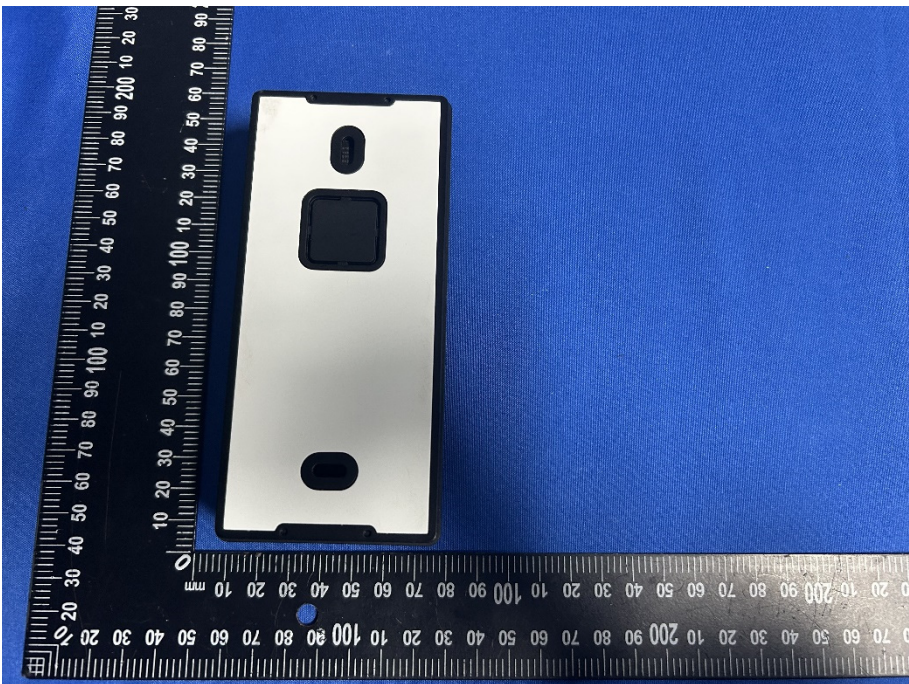

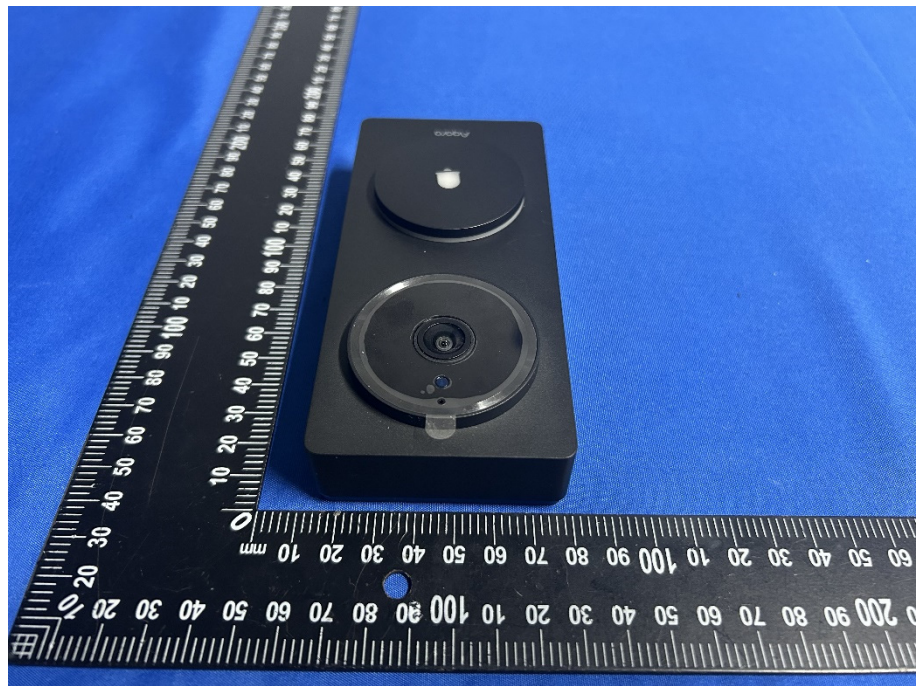

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

Model: CH-C09E(black)

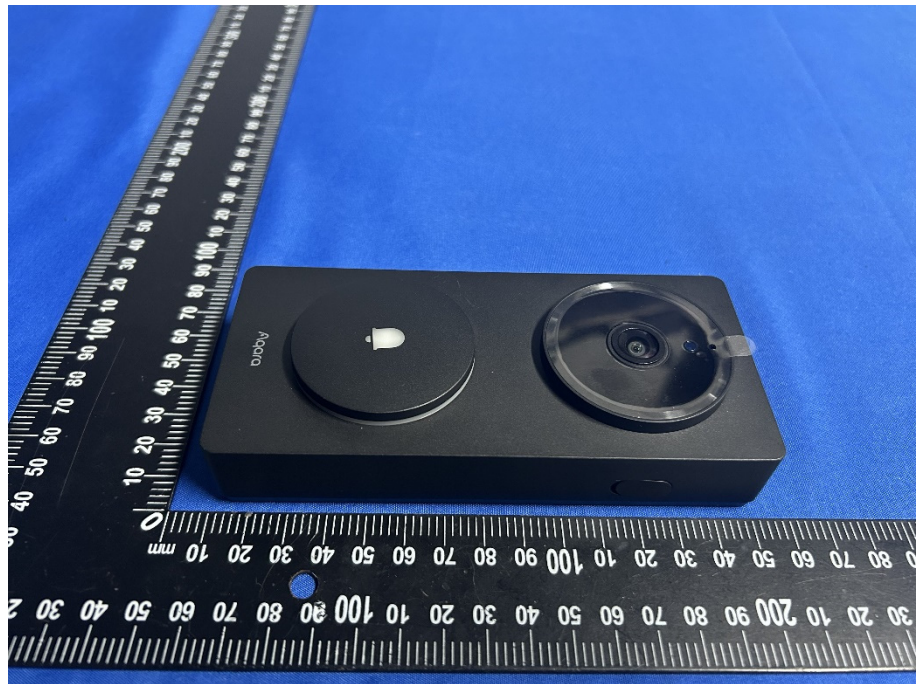

EUT View 1	 A photograph showing the front of a black, rectangular electronic device. The device has two large circular features: the top one contains a lens and the bottom one contains a small white dot. The brand name 'Aqara' is printed at the bottom. A L-shaped ruler is placed next to the device on a blue background for scale.
EUT View 2	 A photograph showing the back of the same black device. It features a central square cutout and two smaller circular cutouts, one near the top and one near the bottom. A L-shaped ruler is placed next to it on a blue background for scale.

EUT View 3	 A black rectangular device, identified as an EUT (End User Terminal), is shown from a top-down perspective. The device features a circular camera lens on the left and a circular sensor or microphone on the right. The brand name "Aqara" is visible on the bottom right. The device is placed on a blue surface next to a black ruler with white markings, which is used for scale. The ruler shows measurements in millimeters and centimeters.
EUT View 4	 A black rectangular device, identified as an EUT (End User Terminal), is shown from a top-down perspective. The device features a circular camera lens on the left and a circular sensor or microphone on the right. The brand name "Aqara" is visible on the bottom right. The device is placed on a blue surface next to a black ruler with white markings, which is used for scale. The ruler shows measurements in millimeters and centimeters.

EUT View 7	
-------------------	--

Model: CH-C09E(gray)

EUT View 1	 A photograph of the front of a black smartphone, model CH-C09E. The device is positioned vertically on a blue fabric surface. To its left is a black L-shaped ruler with white markings in centimeters and millimeters. The camera module is located in the upper half of the device, featuring a large circular lens and a smaller circular flash. The word "Agora" is printed in small letters below the camera module. The ruler indicates the device is approximately 150mm high and 70mm wide.
EUT View 2	 A photograph of the back of the same black smartphone. It is positioned vertically on the same blue fabric surface next to the same L-shaped ruler. The back view shows a large, rectangular silver-colored metal plate in the center. Above the plate is a small circular camera lens, and below it is a larger rectangular flash unit. The ruler indicates the device is approximately 150mm high and 70mm wide.
