EUT View 6	

Model: CH-C11D(white)

EUT View 1	 A photograph showing the front view of a white, square-shaped electronic unit (EUT). The unit features a circular grille with vertical slats. It is positioned on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters, with a scale from 0 to 100 mm visible on both the horizontal and vertical arms.
EUT View 2	 A photograph showing the back view of the same white, square-shaped electronic unit. It has a square recessed area in the center. The unit is placed on the same blue textured surface next to the same black L-shaped ruler, providing a scale reference.

EUT View 3	 A photograph showing a white, square-shaped electronic unit (EUT) with a circular grille on its top surface. The unit is placed on a blue textured surface. A black ruler with white markings is positioned horizontally and vertically next to the unit for scale. The ruler shows measurements in millimeters and centimeters.
EUT View 4	 A photograph showing the same white, square-shaped electronic unit (EUT) from a slightly different angle. The unit is placed on a blue textured surface. A black ruler with white markings is positioned horizontally and vertically next to the unit for scale. The ruler shows measurements in millimeters and centimeters.

EUT View 5	 A photograph showing a white, square-shaped electronic unit (EUT) with a circular grille on its top surface. The unit is positioned next to a black ruler with white markings, which is placed on a blue background. The ruler shows measurements in millimeters and centimeters.
EUT View 6	 A photograph showing a white, square-shaped electronic unit (EUT) with a circular grille on its top surface. The unit is positioned next to a black ruler with white markings, which is placed on a blue background. The ruler shows measurements in millimeters and centimeters.
