Solder Board-Component View 10	 A photograph of a small, black, rectangular electronic component with a white square and the text "LT 94V-0 3025" printed on it. The component is placed on a blue background next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component positioned between the 10mm and 40mm marks.
Antenna View 1	 A photograph showing a larger electronic board with a small antenna module attached to it. The antenna module is labeled "WIFI /LE Ant." and has a red box around it. A red line points from the label to the antenna module. The board is connected to a cable. The background is blue.
