

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

Model: DB-C03E (main supply)

EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing the back of a black mobile phone. The phone is positioned vertically next to a black ruler with white markings. The ruler is placed horizontally, with the 0 mark at the bottom left. The phone's back features a camera lens, a flash, and a microphone. The battery cover is visible, showing the 'Aqara' logo and some technical specifications. The background is a solid blue surface.
EUT View 4	 A photograph showing the front of a black mobile phone. The phone is positioned vertically next to a black ruler with white markings. The ruler is placed horizontally, with the 0 mark at the bottom left. The phone's front features a large circular display and a smaller circular sensor. The background is a solid blue surface.

EUT View 5

EUT View 6

EUT View 7	 A black rectangular electronic unit (EUT) is shown from a top-down perspective. It features two circular components on its top surface: a lens-like circle on the left and a circular vent or speaker grille on the right. The unit is placed on a blue fabric surface next to a black L-shaped ruler for scale. The ruler has markings in millimeters and centimeters.
EUT View 8	 A black square electronic unit (EUT) is shown from a top-down perspective. It features a large circular vent or speaker grille on its top surface. The unit is placed on a blue fabric surface next to a black L-shaped ruler for scale. The ruler has markings in millimeters and centimeters.

EUT View 9

EUT View 10

EUT View 11	 A black square electronic unit with a circular grille on top is shown next to a ruler. The ruler is marked in centimeters and millimeters. The unit is positioned at approximately 10 cm on the ruler. The background is blue.
EUT View 12	 A black square electronic unit with a circular grille on top is shown next to a ruler. The ruler is marked in centimeters and millimeters. The unit is positioned at approximately 10 cm on the ruler. The background is blue.

Model: DB-C03E (secondary supply)

EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing the back of a black, rectangular smart home device. The device features a battery cover with the 'Aqara' logo and various regulatory symbols (FCC, CE, etc.). Above the battery cover, there are two circular buttons and a small 'RESET' label. A black ruler is placed vertically to the left of the device, showing measurements in centimeters and millimeters. The background is a solid blue surface.
EUT View 4	 A photograph showing the front of the same black, rectangular smart home device. It has a sleek, modern design with a circular sensor or camera lens in the center. A black ruler is placed vertically to the left of the device, showing measurements in centimeters and millimeters. The background is a solid blue surface.

EUT View 5	
EUT View 6	

EUT View 7	 A black rectangular electronic device is shown from a top-down perspective. It features two circular lenses, one on the left and one on the right, separated by a small gap. The device is placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top. The device is positioned between the 10 and 20 mm marks on the ruler.
EUT View 8	 A black square electronic device is shown from a top-down perspective. It features a circular grille in the center, which appears to be a speaker or a microphone. The device is placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top. The device is positioned between the 10 and 20 mm marks on the ruler.

EUT View 2	

EUT View 3	 A photograph showing the back of a black mobile phone. The phone is positioned vertically next to a black L-shaped ruler. The ruler has white markings in centimeters and millimeters. The phone's back cover is visible, showing a camera lens, a flash, and a battery cover with the 'Pigoro' logo and various certification marks. The background is a solid blue surface.
EUT View 4	 A photograph showing the front of a black mobile phone. The phone is positioned vertically next to a black L-shaped ruler. The ruler has white markings in centimeters and millimeters. The phone's front face is visible, showing a large circular camera lens and a smaller circular sensor. The background is a solid blue surface.

EUT View 5	
EUT View 6	

EUT View 7	 A black rectangular electronic unit (EUT) is shown from a top-down perspective. It features two circular ports on its top surface: a smaller one on the left and a larger one on the right. The unit is placed on a blue background next to a black L-shaped ruler for scale. The ruler shows measurements in millimeters and centimeters.
EUT View 8	 A close-up view of the larger circular port on the EUT. The port is covered by a black mesh grille. The unit is placed on a blue background next to a black L-shaped ruler for scale. The ruler shows measurements in millimeters and centimeters.
