

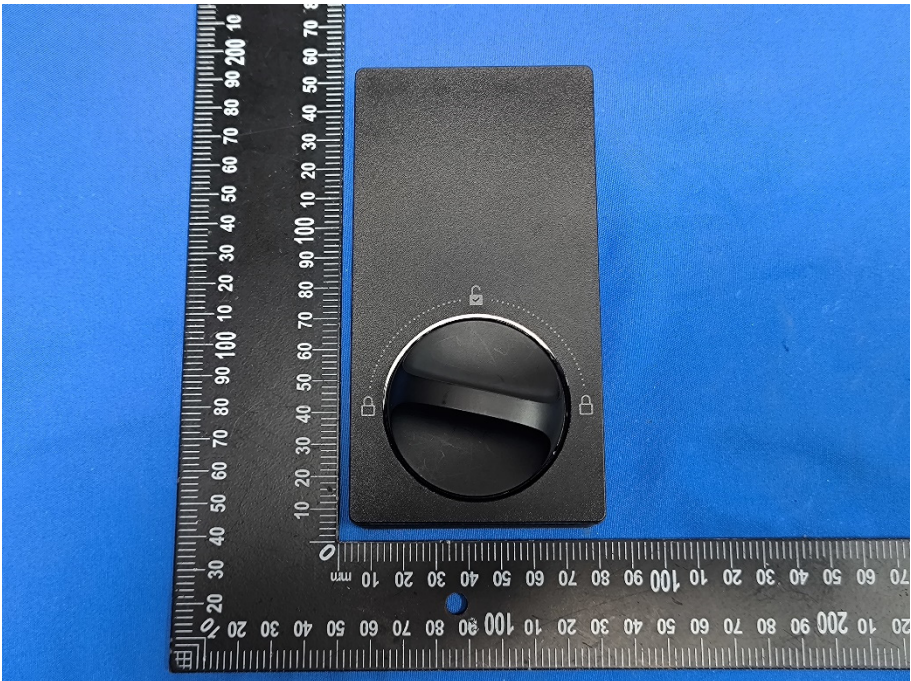

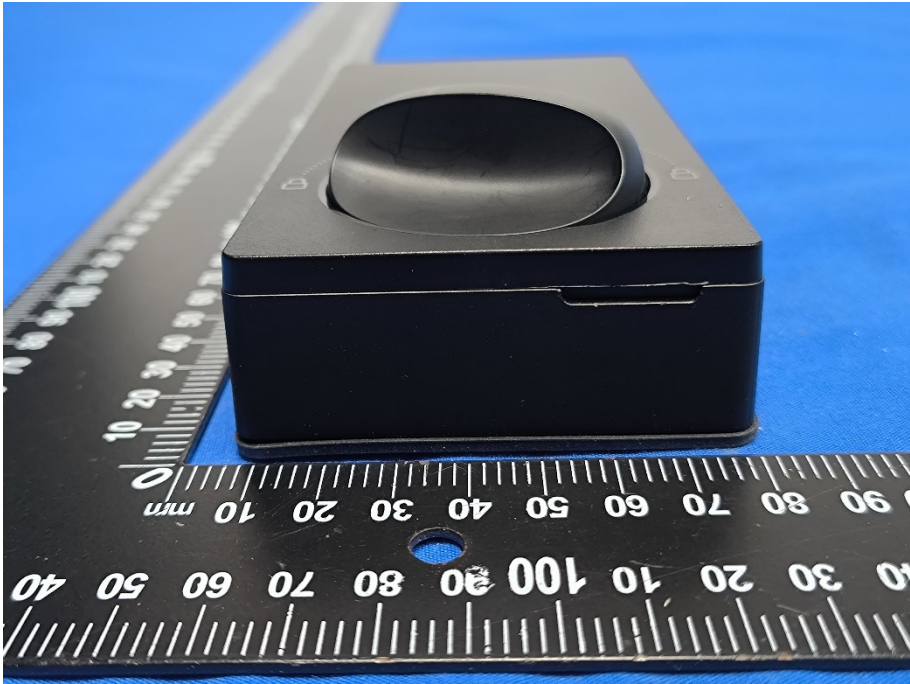

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph of the external components of the device, specifically the keypad and the dial, placed on a blue surface. A black ruler is positioned vertically to the left of the components, and a white ruler is positioned horizontally below them. The keypad is on the right, featuring a circular dial with a keyhole and a numeric keypad with buttons for 0-9, *, and #. The dial is on the left, showing a large circular dial with a handle and a keyhole. The ruler markings indicate the size of the components.
