Solder Board-Component View 5	 A photograph of a green printed circuit board (PCB) component, likely an RFID antenna, placed on a blue textured surface. The component is rectangular with various electronic components and a gold-colored connector on the left side. It is positioned next to a black ruler with white markings, showing its dimensions. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10).
Antenna View	RFID Antenna  A photograph of the RFID antenna component, showing its internal structure. The antenna is a square-shaped metal frame with a central rectangular cutout. It is mounted on a blue textured surface. A red rectangular box highlights the antenna structure, and a red line points from the label "RFID Antenna" to the box.
