To Whom it may concern:

Control ID and HID Global are companies owned by Assa Abloy Group Brand.

Control ID is the OEM supplier of the HID Amico 7" Biometric Facial Recognition Reader, model VL70LF. This partnership uses Control IDs design incorporating HID's radio model. Control ID will also manufacture the reader but brand it for HID Global.

Thus, the FCC ID of the product will use Control ID's Grantee Code.

Please feel free to follow-up for additional information.
