We, BISSELL Homecare Inc

The product: ROBOTIC VACUUM CLEANER

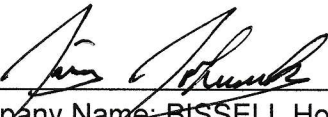

And model No.: 4270 (+) TYPE #

where "(+)" may be followed by additional suffix ' - ' and/or letters and/or numbers used to denote nonelectrical or non-performance related revisions such as colour, trim, or non-electrical and non-mechanical attachments, and different plugs and/or supply cords to destination country.

Where "#" is one-digit numeric values (1-9) indicating an alternate construction model version where the alternate design/components are not directly interchangeable with the original construction, but the overall design intent is not altered. TYPE 2-9 are same as TYPE 1 except model name.

FCC ID: 2AKK5-3208

The serial models have the same technical construction including circuit diagram, PCB Layout, components and component layout, all electrical construction and mechanical construction. The difference lies in the model number and the above description.
All these changes do not degrade the unwanted emissions of the certified product.
