

Ø90mm

**Bluetooth Ceiling Speaker**

**MASTER**

|                       |                |
|-----------------------|----------------|
| Bluetooth System:     | Bluetooth V4.1 |
| Bluetooth Range:      | >10m (33ft)    |
| RMS Power:            | 2x30W @ 8 ohms |
| Power Input:          | DC 24V/2.5A    |
| Frequency Response:   | 60Hz - 20kHz   |
| Impedance(ohm):       | 8              |
| Product Diameter(mm): | 225 (8.9")     |
| Cutout Diameter(mm):  | 210 (8.3")     |
| Product Depth(mm):    | 98 (3.9")      |

**FCC ID: 2AKKHFLC**

This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:

(1) This device may not cause harmful interference,  
and (2) this device must accept any interference  
received, including interference that may cause  
undesired operation.
