GUIDE

Changes or modifications not expressly approved by HYDRAO could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instruction, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception which can be determined by turning the equipment off and on, the user is encouraged to try to correct interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with FCC RF radiation exposure limits set forth for general population (uncontrolled exposure).

This device must not be collocated or operating in conjunction with any other antenna or transmitter.

INSTALLATION DU POMMEAU HYDRAO FIRST

SETTING UP THE HYDRAO FIRST SHOWER HEAD

Fermez l'eau de votre douche
Turn off the shower

Dévissez votre ancien
pommeau pour l'enlever
Loosen your old shower head

Mettez le joint à sa place
Set in the washer

Vissez votre nouveau pommeau HYDRAO First (*optionnel : installez le limiteur de débit, voir en dernière page)

Screw on your new HYDRAO First shower head (*optional: set in the excess flow valve, see last page)

Ouvrez l'eau

Turn the water on

La douche s'allume en Bleu, Blanc, Rouge, puis Vert

The shower lights up in blue, white, red and then green

Votre pommeau HYDRAO First est prêt à être utilisé !

Your HYDRAO First shower head is ready to be used!
