

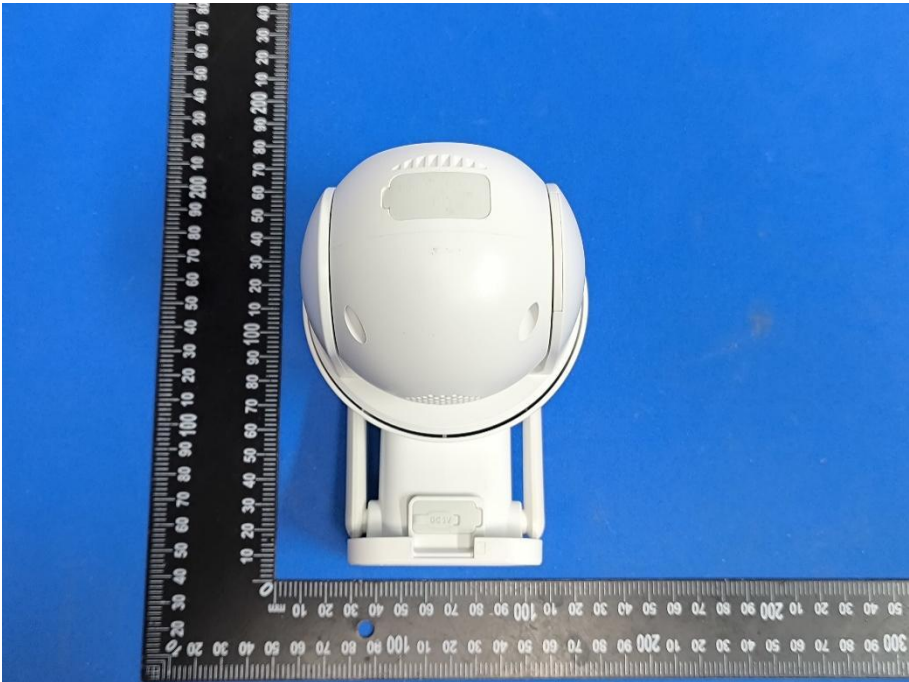

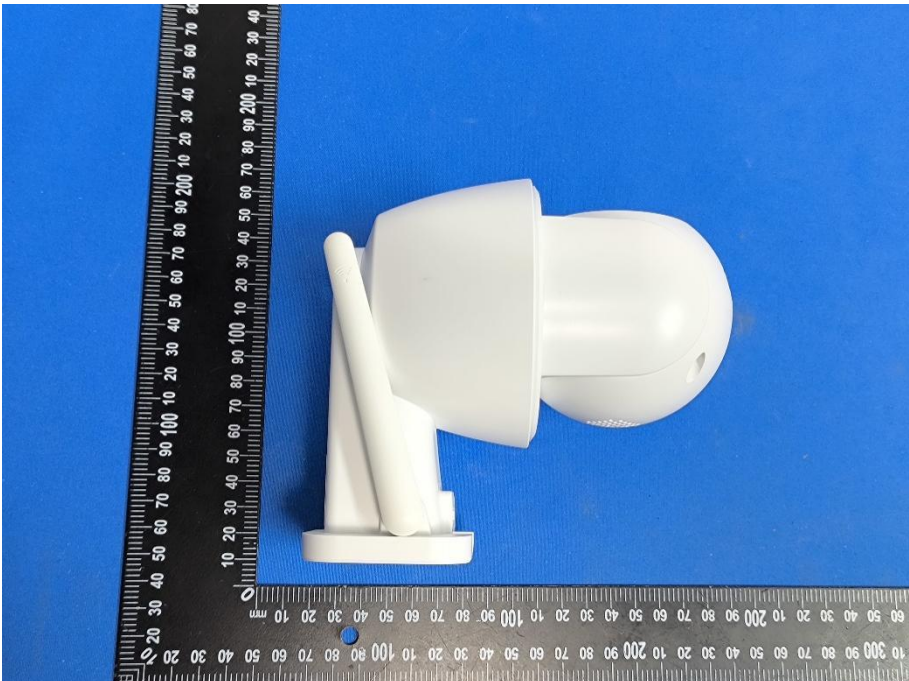

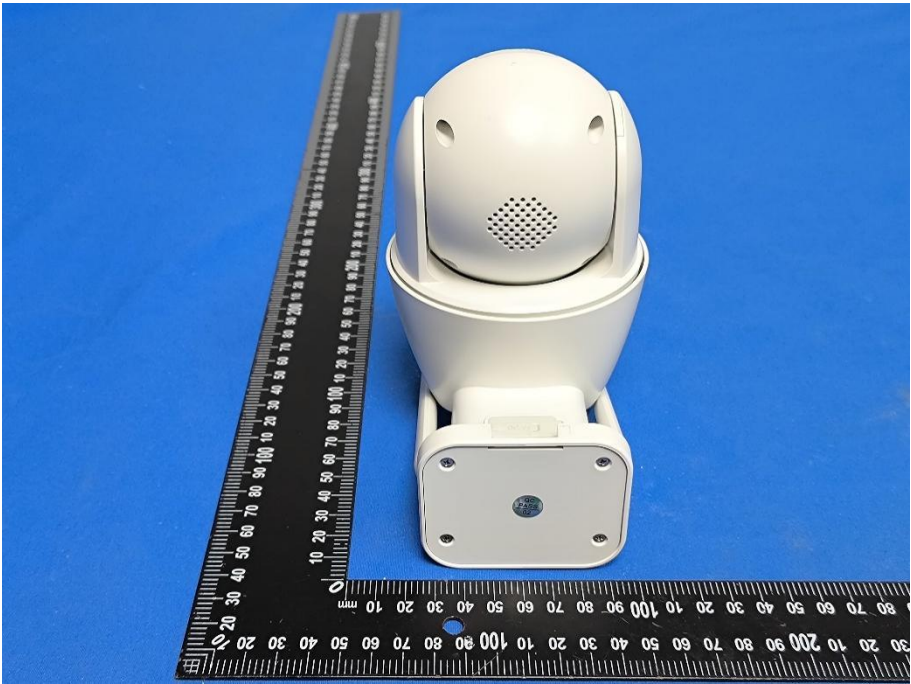

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a white, spherical electronic device. The device has a smooth, rounded top with a small, rectangular, light-colored sensor or display area. It is mounted on a white, cylindrical base. A black ruler with white markings is placed horizontally below the device, showing measurements in centimeters and millimeters. The background is a solid blue surface.
EUT View 2	 A side profile photograph of the same white, spherical electronic device. The device is shown from the side, highlighting its rounded shape and the mounting base. A black ruler with white markings is placed horizontally below the device, showing measurements in centimeters and millimeters. The background is a solid blue surface.

EUT View 3	
EUT View 4	

EUT View 5	 A front-facing view of a white, dome-shaped Amstro camera. The camera has a black circular lens area with four small white sensors. It is positioned next to a black ruler with white markings for scale. The background is a solid blue surface.
EUT View 6	 A back-facing view of the same white Amstro camera. The back of the camera shows a circular ventilation grille and a small label. It is positioned next to a black ruler with white markings for scale. The background is a solid blue surface.
