FCC ID: 2AKNJTQ-LT1205 **TQ-LT1205**

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

FCC ID: 2AKNJTQ-LT1205 **TQ-LT1201**

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference,
and
- (2) This device must accept any interference received,
including interference that may cause undesired
operation.

FCC ID: 2AKNJTQ-LT1205 **TQ-LT1211**

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference,
and
- (2) This device must accept any interference received,
including interference that may cause undesired
operation.

FCC ID: 2AKNJTQ-LT1205 **TQ-LT1203**

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference,
and
- (2) This device must accept any interference received,
including interference that may cause undesired
operation.

FCC ID: 2AKNJTQ-LT1205 **TQ-LT1204**

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference,
and
- (2) This device must accept any interference received,
including interference that may cause undesired
operation.

FCC ID: 2AKNJTQ-LT1205 **TQ-LT1206**

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference,
and
- (2) This device must accept any interference received,
including interference that may cause undesired
operation.

FCC ID: 2AKNJTQ-LT1205 **TQ-LT1207**

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference,
and
- (2) This device must accept any interference received,
including interference that may cause undesired
operation.

FCC ID: 2AKNJTQ-LT1205 **TQ-LT1208**

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference,
and
- (2) This device must accept any interference received,
including interference that may cause undesired
operation.

FCC ID: 2AKNJTQ-LT1205 **TQ-LT1209**

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference,
and
- (2) This device must accept any interference received,
including interference that may cause undesired
operation.

FCC ID: 2AKNJTQ-LT1205 **TQ-LT1210**

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference,
and
- (2) This device must accept any interference received,
including interference that may cause undesired
operation.
