

Input: DC12V  DC voltage

Important Safety Warnings

- (1) For pluggable equipment, the socket-outlet shall be installed near the equipment and shall be easily accessible.
- (2) The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced.

FCC Statement

This equipment has been tested and found to comply with the limits for Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: • Reorient or relocate the receiving antenna • Increase the separation between the equipment and the receiver • Connect the equipment into an outlet on a circuit different from that to which the receiver is connected • Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC RF Radiation Exposure Statement Caution: To maintain compliance with the FCC's RF exposure guidelines, place the product at least 20cm from nearby persons.

WARNING: Modifications not approved by the party responsible for compliance could void user's authority to operate the equipment.

The device must not be co-located or operating in conjunction with any other antenna or transmitter

IC Statement

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

The device is compliance with RF field strength limits, users can obtain Canadian information on RF exposure and compliance.

This Class B digital apparatus complies with Canadian ICES-003. This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

Déclaration IC

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The protection grade of spotlight is IP66, and the protection grade of power adapter is IP20. The power adapter can only be used indoors. The spotlight can be used indoor or outdoor. **oltage**

Class III equipment

Le présent appareil est conforme de ce matériel aux conformités ou aux limites d'intensité de champ RF, les utilisateurs peuvent sur l'exposition aux radiofréquences et la conformité d'acquiescer les informations correspondante.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada. Déclaration d'exposition aux radiations : Cet équipement est conforme aux limites d'exposition aux rayonnements IC établies pour un environnement non contrôlé. Cet équipement doit être installé et utilisé avec un minimum de 20 cm de distance entre la source de rayonnement et votre corps.

EN CE marking on this product represents the product is in compliance with all directives that are applicable to it. See www.swann.com/uk/compliance. This product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environment safe recycling. **ES** La marca CE en este producto representa que el producto cumple con todas las directivas de aplicación. Ver www.swann.com/uk/compliance. Este producto no debe arrojarse junto con otros desperdicios domésticos en ningún lugar de los Estados Unidos. Para evitar posibles daños al medio ambiente o a la salud humana debidos a desechos no controlados de desperdicios, reciclado responsablemente para promover la reutilización sostenible de los recursos materiales. Para devolver su dispositivo usado, utilice los sistemas de devolución recolección, o contacte con el vendedor minorista donde compró el producto. Ellos pueden llevar este producto al reciclado seguro para el medio ambiente. **FR** Le marquage CE sur ce produit indique que le produit est conforme à toutes les directives qui lui sont applicables. Voir www.swann.com/uk/compliance. Ce produit ne doit pas être éliminé avec les autres déchets ménagers dans l'UE. Pour éviter tout risque pour l'environnement ou la santé humaine d'une élimination incontrôlée des déchets, recyclez-le de manière responsable afin de promouvoir la réutilisation durable des ressources matérielles. Pour retourner votre appareil usagé, veuillez utiliser les systèmes de retour et de collecte ou contactez le revendeur chez qui vous avez acheté le produit. Il pourra reprendre ce produit pour un recyclage sans danger pour l'environnement.

IT Il simbolo CE su questo prodotto indica che il prodotto è conforme a tutte le direttive applicabili. Vedi www.swann.com/uk/compliance. Corretto smaltimento del prodotto. Questo simbolo indica che questo prodotto non deve essere smaltito con altri rifiuti domestici in tutta l'UE. Per evitare possibili danni all'ambiente o alla salute umana derivanti dallo smaltimento incontrollato dei rifiuti, riciclarlo responsabilmente per promuovere il riutilizzo sostenibile delle risorse materiali. Per restituire il dispositivo usato, utilizzare i simboli di reso e raccolta o contattare il rivenditore presso il quale è stato acquistato il prodotto. Possono consegnare questo prodotto presso i centri di riciclaggio sicuro. **DE** Das CE-Zeichen auf diesem Produkt gibt an, dass es allen entsprechenden Bestimmungen entspricht. Siehe www.swann.com/uk/compliance. Diese Markierung zeigt, dass das Produkt in der EU nicht im Hausmüll entsorgt werden darf. Um mögliche Umwelt- oder Gesundheitsgefahren durch unkontrollierte Müllentsorgung abzuwenden, recyceln Sie es verantwortlich, um eine nachhaltige Wiederverwendung der Materialien zu fördern. Um ein benutztes Gerät zurückzugeben, verwenden Sie bitte die Rückgabe- und Sammelsysteme oder kontaktieren den Händler, von dem das Produkt erworben wurde. Sie können das Produkt zum umweltfreundlichen Recycling geben.

RECYCLING

This product bears the selective sorting symbol for Waste electrical and electronic equipment (WEEE). This means that this product must be handled pursuant to European directive 2012/19/EU in order to be recycled or dismantled to minimize its impact on the environment.

User has the choice to give his product to a competent recycling organization or to the retailer when he buys a new electrical or electronic equipment.
