

Attention: Application Examiner

RE: Request for Confidentiality
Applicant: Permobil AB
Product code: 331495
FCC ID: 2AKPO331495

To Whom It May Concern:

Permanent Confidentiality

Request is hereby submitted by Permobil AB to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block Diagrams
- Detailed Operational/Functional Description
- Tune up procedure
- Parts list

Short-term Confidentiality

Request is hereby submitted by Permobil AB to withhold from public review for a period of 90 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 90 days from the date of Authorization:

- Internal photos
 - All photos must be confidential until April 15th 2017, (2 weeks after planned launch of the product April 1st, 2017)
NOTE: Scanned copies and instances of received internal photos shall be permanently confidential.
- User Manual
 - The manual must be confidential until April 15th 2017, (2 weeks after planned launch of the product April 1st, 2017)
- External photos
 - The manual must be confidential until April 15th 2017, (2 weeks after planned launch of the product April 1st, 2017)
- Test setup photos
 - All photos must be confidential until April 15th 2017, (2 weeks after planned launch of the product April 1st, 2017)

Rationale for request for confidentiality:

Permobil AB has invested considerable time and materials in research and development to produce the referenced product.

- *Permanent confidentiality:* Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.
- *Short term confidentiality:* Disclosure of the short-term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in research and development.

Sincerely,
