What does this warranty cover and how long does it last? JOY warrants that a new JOY Home device (including any ancillary parts that may be packaged with it) will be free from defects in materials and workmanship under normal use in accordance with JOY's published user documentation for one year from the date of original retail purchase in its original packaging by you. If a JOY Home has been refurbished, JOY warrants that the JOY Home (including any ancillary parts that may be packaged with it) will be free from defects in materials and workmanship under normal use in accordance with JOY's published user documentation for ninety days from the original date of retail purchase by you (these warranties are collectively referred to as our "Limited Warranty").
