Board View 1****EUT Housing and
Board View 2**

Solder Board-Component View 1	 A photograph showing a green printed circuit board (PCB) component with a metal wire soldered to its top edge. The component is placed on a blue surface next to a black L-shaped ruler for scale. The ruler has markings in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The PCB is oriented vertically, and the wire is bent into a U-shape.
Solder Board-Component View 2	 A photograph showing the same green PCB component from a different angle, revealing the underside with various electronic components and solder joints. The metal wire is still attached. The component is placed on a blue surface next to the same black L-shaped ruler for scale. The ruler markings are visible, showing the component's dimensions.
