[illegible]

This image shows the internal components of a power supply unit. A blue power MOSFET driver board, labeled '791362401' and 'Dynascom', is mounted on a green PCB. It is connected to a large power MOSFET. Various cables, including black, white, and blue ones, are connected to the unit. A metal heat sink is visible on the left side. The unit is housed in a grey metal enclosure.
