

Test Positions

Front Side
(Separation distance of 0mm)

Back Side
(Separation distance of 0mm)

Left side
(Separation distance of 0mm)

Right side
(Separation distance of 0mm)

Top side (Separation distance of 0mm)	Bottom side (Separation distance of 0mm)
 A close-up photograph of a black Modjoule component mounted on a white PCB. The component has a yellow stripe on its left side and the word "modjoule" printed on its top surface. It is positioned on a white pad, with a green component visible to its left and another white pad to its right. The background is slightly blurred, showing other components on the board.	 A close-up photograph of the same Modjoule component from the bottom side. The component is black with a yellow stripe on its right side and the word "modjoule" printed on its bottom surface. It is mounted on a white pad, with a green component visible to its left and another white pad to its right. The background is slightly blurred, showing other components on the board.
