Assembling the Ambi Climate

To start up your Ambi Climate, plug in the micro USB plug into the back of the Ambi Climate and attach the USB plug to the power adapter.

Connect the Ambi Climate

Download the Ambi Climate App on the App Store or Google Play Store.

Follow the instructions in the app to connect the Ambi Climate to your phone.

Finding the perfect place for your Ambi Climate

Make sure...

It has direct line of sight to the IR receiver for your AC unit and is close to where you normally are in the room

It sits on a non-insulating flat surface (fabric-covered surfaces are not recommended)

It is within range of your WiFi signal (preferably close to your router if possible)

It isn't near something hot or cold (such as next to a heater, in direct sunlight, or right in front of the AC)

How to care for your Ambi Climate

Care tips:

- Do not drop the device
- Do not disassemble
- Do not modify the product
- Do not put objects into the product
- Do not use with 3rd party USB power supplies/cables
- Do not use USB power supply for any other purpose
- Do not plug in unapproved USB devices
- Do not expose to high ($>50^{\circ}\text{C}$) or low ($<-10^{\circ}\text{C}$) temperatures

Operating limits:

- Indoors
- In direct line of sight of your AC, within 2-4m
- In an area with adequate ventilation
- Operating temperature range: $0-40^{\circ}\text{C}$
- Not under direct sunlight
- Not in a high humidity environment ($>90\%$)
- Not in or near water
- Not near other transmitting devices
- Do not cover
- Not near heat-generating devices
- Keep out of reach of children and pets
- 100-240V AC
- Use only the accessories provided by the manufacturer
- The USB power supply should be connected to a mains socket-outlet
- The socket-outlet shall be installed near the equipment and shall be easily accessible
- Frequency range: 2.4GHz - 2.4835GHz
- WiFi driver firmware: 2011_0825_RT5350_APSoC_WiFiDriver_v2.6.0
- Maximum RF output power: 20dBm

FEDERAL COMMUNICATIONS COMMISSION COMPLIANCE:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

RF EXPOSURE STATEMENTS:

Section 2.1091(d) (3) - Mobile devices (a minimum separation distance may be required).

This device must be used in fixed locations and in such a way that a separation distance of at least 20 centimeters is normally maintained between the transmitter's radiating structure(s) and the body of the user or nearby persons.

CE COMPLIANCE:

The products have been tested and found in compliance with the CE Directive.

INDUSTRY CANADA (IC) COMPLIANCE:

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

TERMS AND CONDITIONS OF WARRANTY

1. OUR WARRANTY FOR THE PRODUCT

- 1.1 Subject to the terms and conditions as otherwise agreed in the Terms of Use and Return Policy of the website of Ambi Labs Limited ("Ambi") and the sales and purchase agreement (if any), these terms and conditions apply to the warranty provided by Ambi in respect of Ambi Climate ("Product") purchased from Ambi.
- 1.2 Ambi shall not in any circumstances be liable for a breach of the warranty unless:
 - (a) You give written notice by email of the defect to Ambi at support@ambiclimates.com together with the email of the original purchase invoice sent by Ambi within seven days of the time when you discover or ought to have discovered the defect; and
 - (b) After receiving the notice, Ambi is given a reasonable opportunity to examine such Product and you (if asked to do so by Ambi) return such Product to Ambi's place of business at 1903, 19/F, Loon Kee Building, 267-275 Des Voeux Road Central, Sheung Wan, Hong Kong for the examination to take place there.
- 1.3 We provide a warranty that on delivery, and for a period of 24 months from delivery (the "Warranty Period"), the Products shall be free from material defects. During the **Warranty Period**, Ambi undertakes, at its sole discretion, either to (a) repair or replace any Product or component which is found to be defective as a result of faulty materials or workmanship; or (b) accept the return of the Product and refund the purchase price paid by the original purchaser for the Product. Repair or replacement may be made with new or refurbished product or components, at the

sole discretion of Ambi. This warranty does not apply in the circumstances described in clause 1.4.

1.4 The warranty in clause 1.3 does not apply to any defect in the Products arising from:

- (a) fair wear and tear of the Product and parts, which does not affect the functionality or performance of the Product;
- (b) malfunction, loss or damage to the Product caused by you or by any third party arising from or in connection with:
 - (i) abuse, tampering, modification and disassembly of the Product;
 - (ii) negligence and/or failure to operate or use the Product in accordance with user instructions;
 - (iii) wilful damage, abnormal storage or working conditions;
 - (iv) hardware and/or software installation (including virus infection) of the Product; or
 - (v) alteration made by you or a third party who is not one of our authorised repairers.
- (c) malfunction, loss or damage to Product caused by acts of god or any other force majeure event;
- (d) Product with its serial number removed, defaced, damaged or altered; or
- (e) your breach of these Terms and Conditions, Terms of Use and Return Policy of Ambi's website, or any provisions of the sales and purchase agreement (if any) of the Product.

1.5 The warranty provided in these Terms and Conditions are in lieu of all other warranties expressed or implied including merchantability, satisfactory quality, and fitness for a particular purpose and all such other warranties of the Product. Ambi does not make any other warranty or condition of any kind.

2. DISCLAIMERS OF LIABILITY

2.1 Ambi only supplies the Products for domestic and private use. You agree not to use the product for any commercial and/or business purpose.

2.2 Nothing in these Terms and Conditions limits or excludes our liability for:

(a) death or personal injury caused by our negligence; and

(b) fraud or fraudulent misrepresentation.

2.3 Subject to clause 2.2, Ambi will under no circumstances whatsoever be liable to you, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, arising under or in connection with the Terms and Conditions, Terms of Use and Return Policy on Ambi's website and sales and purchase agreement for:

(a) any loss of profits, sales, business, or revenue;

(b) loss or corruption of data, information or software;

(c) loss of business opportunity;

(d) loss of anticipated savings;

(e) loss of goodwill; or

(f) any indirect or consequential loss.

2.4 Subject to clause 2.2, our total liability to you in respect of all losses arising under or in connection with the Terms and Conditions, Terms of Use and Return Policy of Ambi's website and sales and purchase agreement (if any), whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall in no circumstances exceed the purchase price paid by the original purchaser for the Product.

3. GOVERNING LAW

These Terms and Conditions and any disputes or claims arising out of or in connection with it or its subject matter or formation (including without limitation disputes or claims) are governed by and construed in accordance with the law of Hong Kong.

4. JURISDICTION

Each party irrevocably agrees that the courts of Hong Kong shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with the Terms and Conditions or its subject matter or formation (including non-contractual disputes or claims).
