Subject: Change in Identification Request

To whom it may concern,

This Change of Identification Request applies for a new FCC ID as established in 47CFR §2.933 for a currently approved device. This application by IMV Technologies UK Limited (A IMV Technologies Group company) will establish a new FCC ID: **2AL6R-WL18DBMOD** under IMV Technologies UK Limited guarantee code for the purpose of marketing. The original grant to TI Instruments will remain in effect.

Per FCC Rule Part 2.933(b):

1. The original identification is Z64-WL18DBMOD.
2. The original grant date is 12/24/2014.
3. The equipment is electrically identical. Only the trade name and FCC ID number are different.
4. The original test results continue to be representative of and applicable to the equipment bearing the changed identification.
5. Exterior photographs are included in this application.

The following files are electronically submitted as attachments:

- Authorizaton Letter
- External Photos
- FCC ID label format and location

Should there be any questions, please feel free to contact us.
