Columbia, MD 21046

Subject: FCC Class II Permission change for FCC ID: 2AL7M-MAGICREMOTE

Original Grant Date: 2018-05-31

Dear Sir/Madam,

This is to request a Class II permission change to our product name: Range Extender (REx) Remote Control, Model: No.3 (FCC ID: 2AL7M-MAGICREMOTE), the device is identical to the previously certified except for the changes as below for details:

1. Change the 2.4GHz antenna type from PCB to Dipole.
2. Change the 5.8GHz antenna and its location.
3. The interface ports and its board are different:

4. The changes are not related with the other RF parameters, only RF exposure and radiation emissions were retested.

This authorization is valid until further written notice from the applicant. Please contact me if you have any questions or need future information regarding this application.

Sincerely Yours,

Signature:
