

Software Description
This product includes a software that is restricted to be modified by a third party. The manufacturer reserves the right to publish software updates for maintenance or introducing new features.

Data Protection

Please be aware that Ugogo, its manufacturing partners, the application providers and third party providers of the services may collect and use technical data and related information, including but not limited to, information about the device, the device system, the application software and peripherals. Ugogo, its manufacturing partners, the application providers and the providers of the services may use such information to improve its products or to provide services or technologies to you, as long as it is in a form that does not contain any personal data. If you have already installed the application software on your device, you have already provided personal data already in the device or installed by you - you may request a registration for which you have not provided personal data. Besides that, please be aware that some services which are not pre-installed but can be installed may collect personal data even without providing you with any personal data. Ugogo and its manufacturing partners are not liable for a possible breach of data protection by services not pre-installed.

 **WEEE Directive**

Correct Disposal of this product. This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmentally safe recycling.

The functions of Wireless Access Systems including Radio local Area Networks (WAS/RANS) within the band 5150-5350 MHz for these areas are restricted to indoor use only within European Union Countries
(BE/BG/CZ/DK/DE/EE/EL/ES/FR/HR/IT/IT/CY/LV/LU/HU/MT/NL/AT/PL/PT/RO/SI/SK/SI/SE/UK/NL/NO/CH/IS/LT/LT).

Frequency
band:2400MHz-2483.5MHz/5150MHz-5250MHz/5250MHz-5350MHz/5470MHz-5725MHz
Transmit Power: RFmax.power=23dBm
Frequency band: 5725MHz-5850MHz
Transmit Power: RFmax.power<13.98dBm
