

Compliance Information

FCC Information
This device complies with Part 15 of the FCC Rules.

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This product complies with the requirements for Part 18 of the FCC Rules. Although this product complies with FCC, it may interfere with other devices. If this product is found to interfere with another device, separate the other device and this product.

Radiation Exposure Information

This device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.

WARNING: Li-Ion Battery Inside
This product is fitted with a Li-Ion battery. Do not damage, open, or dismantle the battery and do not use it in damp and/or corrosive conditions. Use only with compatible chargers. Never dispose of batteries in a fire, and never expose them to high temperatures. Do not expose the product to temperatures exceeding 60°C (140°F).

Getting Started

Charging the Speaker

Insert the small connector of the supplied Type-C USB charging cable into the charging port on the speaker. Insert the large connector into a USB power source, or into a 5V USB adapter (not included), and plug into a wall outlet. The LED indicator will turn **RED** while charging, and will turn **OFF** when fully charged.

Note: the speaker will sound a tone when it is low on power, indicating that it needs to be recharged.

Speaker Controls

- **Long-press (3s) the [⏻] button** to power the speaker **ON/OFF**.
- **2x press the [⏻] button** to switch between **Bluetooth Pairing Mode** and **FM Mode**.
- **Press the [⏻] button** to **PAUSE/RESUME** media (**Bluetooth Pairing Mode**), or **CHANGE CHANNELS** (**FM mode**).

Bluetooth Pairing Mode

1. Power the speaker **ON**. A tone will sound, and the speaker will enter **Bluetooth Pairing Mode**. The LED indicator will flash **BLUE**.
2. Set your Bluetooth-enabled mobile device to search for Bluetooth devices. When it appears, select "**HKKURMSHW**" from the list of found devices.
3. After successfully pairing, a tone will sound, and the LED indicator will turn solid **BLUE**. You are now able to play music on the speaker.

Note:

- While playing music, the LED indicator will pulse **BLUE**.
- The speaker will automatically pair to previously-connected devices that are within range.
- The speaker will automatically power **OFF** after **5 minutes** if not paired with a device.

FM Mode

1. Power the speaker **ON**, then **2x press the [⏻] button** to switch to **FM Mode**. The LED indicator will pulse **GREEN**.
2. While in **FM Mode**, **press the [⏻] button** to **CHANGE CHANNELS**.
3. To return to **Bluetooth Pairing Mode**, **2x press the [⏻] button** again.
