

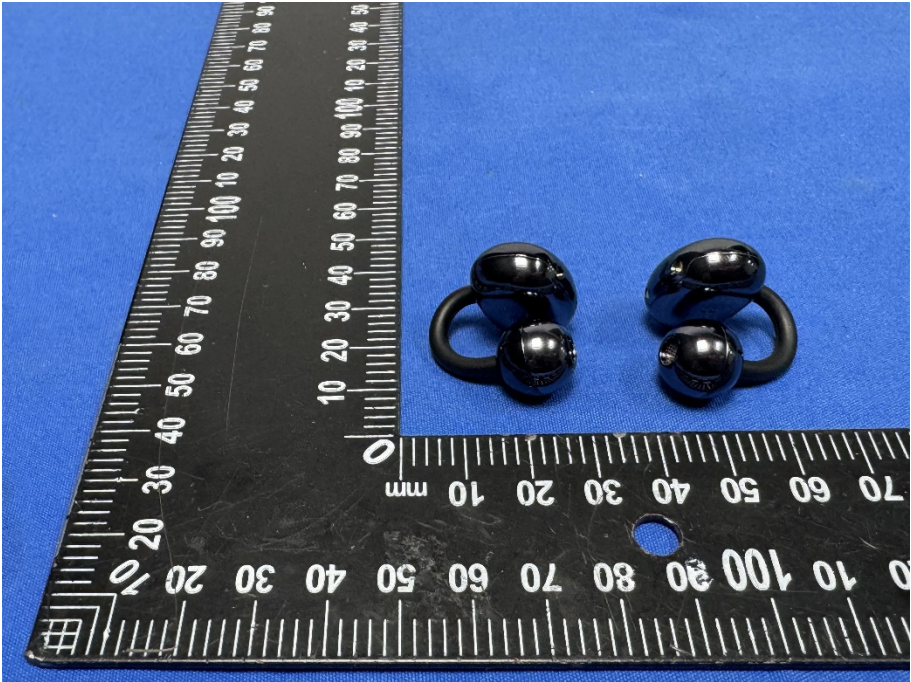

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS**EUT View 1****EUT View 2**

EUT View 3	
EUT View 4	

EUT View 5	 A photograph showing two identical black electronic components. Each component consists of a small, shiny, spherical body attached to a black, ring-like base. They are positioned on a blue fabric surface. A black L-shaped ruler is placed next to them for scale. The ruler has white markings in millimeters and centimeters. The components are located approximately between the 10mm and 40mm marks on the horizontal ruler and between the 10mm and 40mm marks on the vertical ruler.
EUT View 6	 A photograph showing the same two black electronic components from a different perspective. The components are identical to those in View 5. They are placed on the same blue fabric surface next to the same black L-shaped ruler. The ruler's markings are visible, showing the components are positioned between the 10mm and 40mm marks on both the horizontal and vertical scales.
