

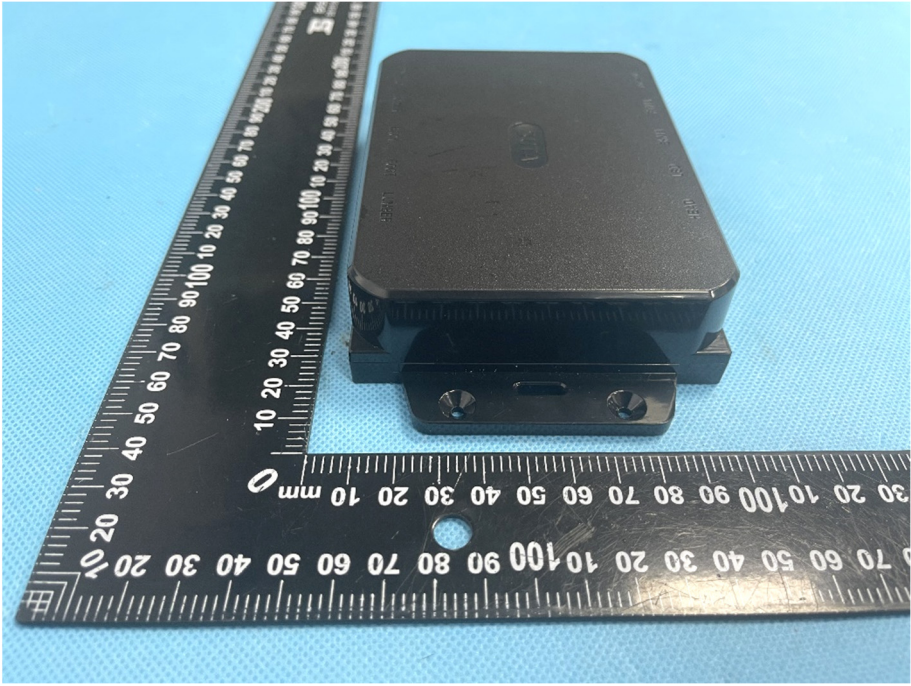

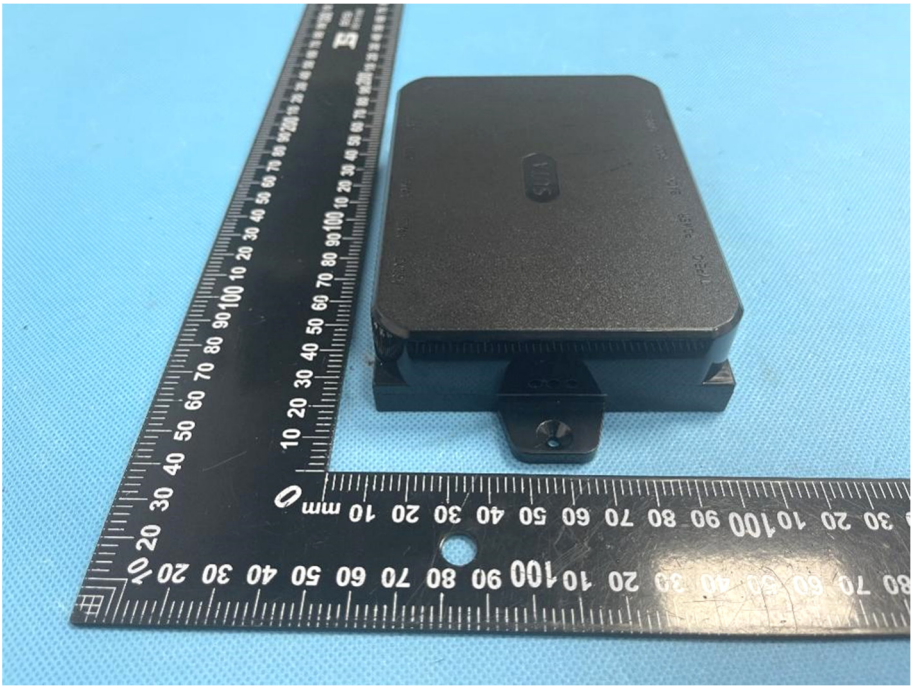

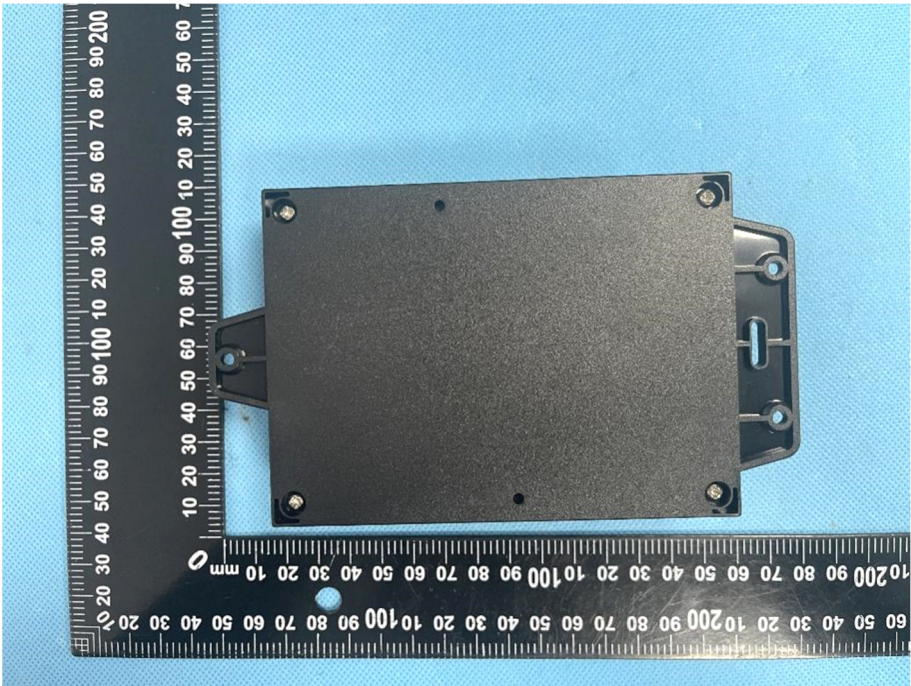

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a black, square-shaped electronic unit (EUT) with rounded corners. The unit is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The unit features a central oval logo with the text "SUTA". Above the logo, there are small, faint labels: "HEAD", "LED", "BKMA", "EMMA", and "DOZAN". Below the logo, there are small, faint labels: "TYPE C", "POWER", "BACK", "FOOT", and "NUMBER". The unit has a small circular feature on the left side and a small rectangular feature on the right side.
EUT View 2	 A bottom-up photograph of the same black, square-shaped electronic unit (EUT) with rounded corners. The unit is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The unit features a central oval logo with the text "SUTA". Below the logo, there are small, faint labels: "TYPE C", "POWER", "BACK", "FOOT", and "NUMBER". The unit has a small circular feature on the left side and a small rectangular feature on the right side. The bottom edge of the unit shows four small, rectangular, light-colored components.

EUT View 3	 A black rectangular electronic device is shown from a top-down perspective. It is positioned next to a black L-shaped ruler on a blue textured surface. The ruler has white markings in millimeters and centimeters. The device has a small circular logo on its top surface and two small circular features on its front edge.
EUT View 4	 A black rectangular electronic device is shown from a front-down perspective. It is positioned next to a black L-shaped ruler on a blue textured surface. The ruler has white markings in millimeters and centimeters. The device has a small circular logo on its top surface and a front panel with several small rectangular features and labels: "HEAD", "LED", "10KMA", "CTMA", and "DC 24V".
