

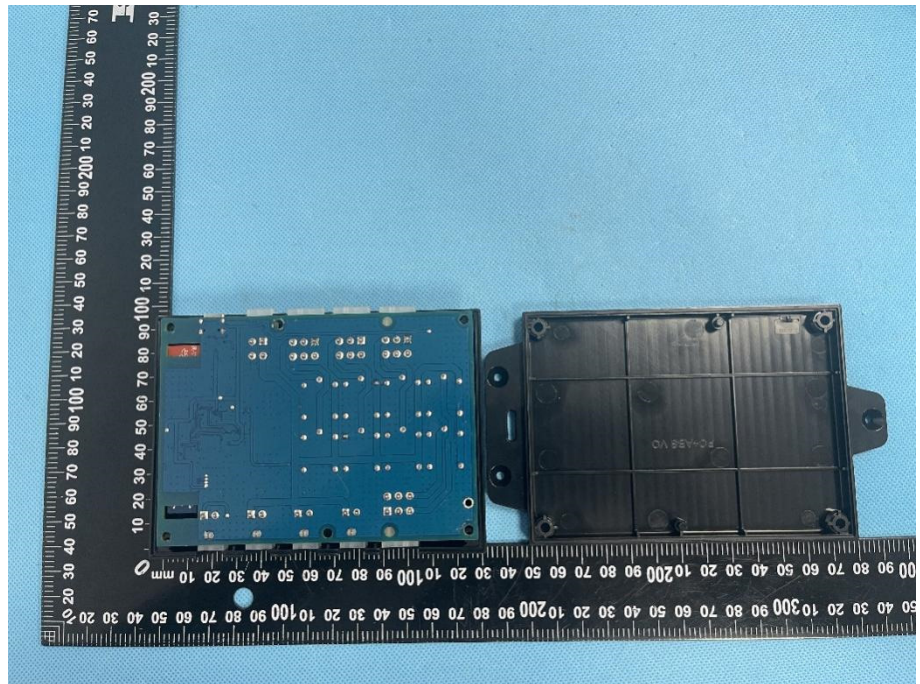

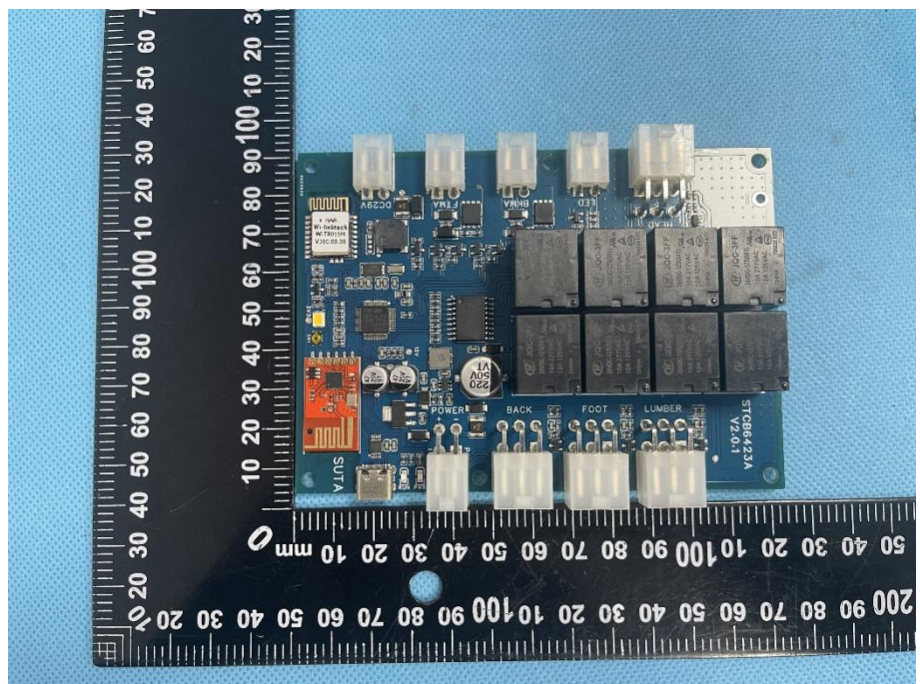

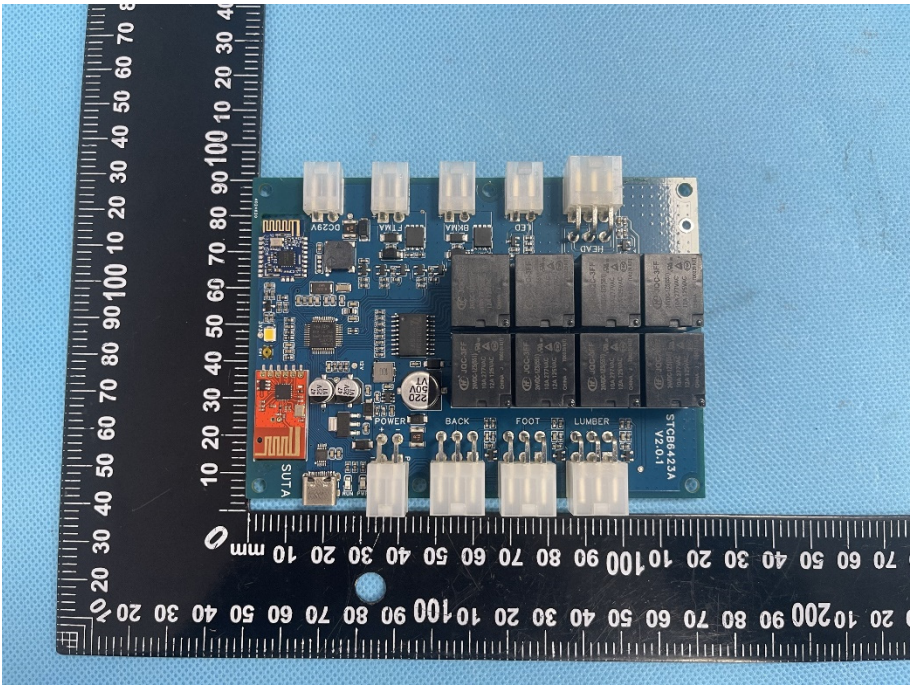

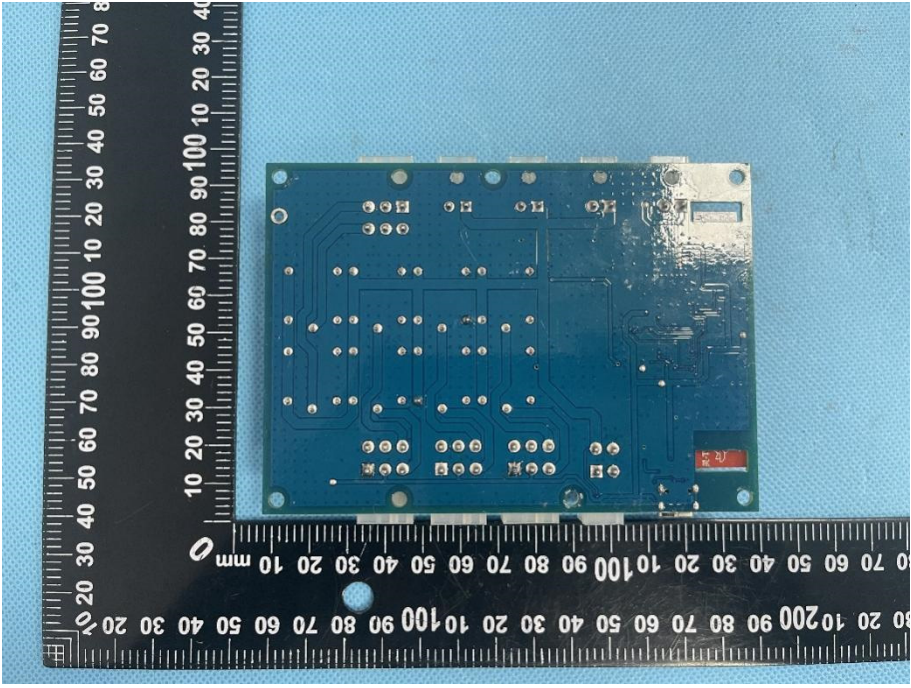

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

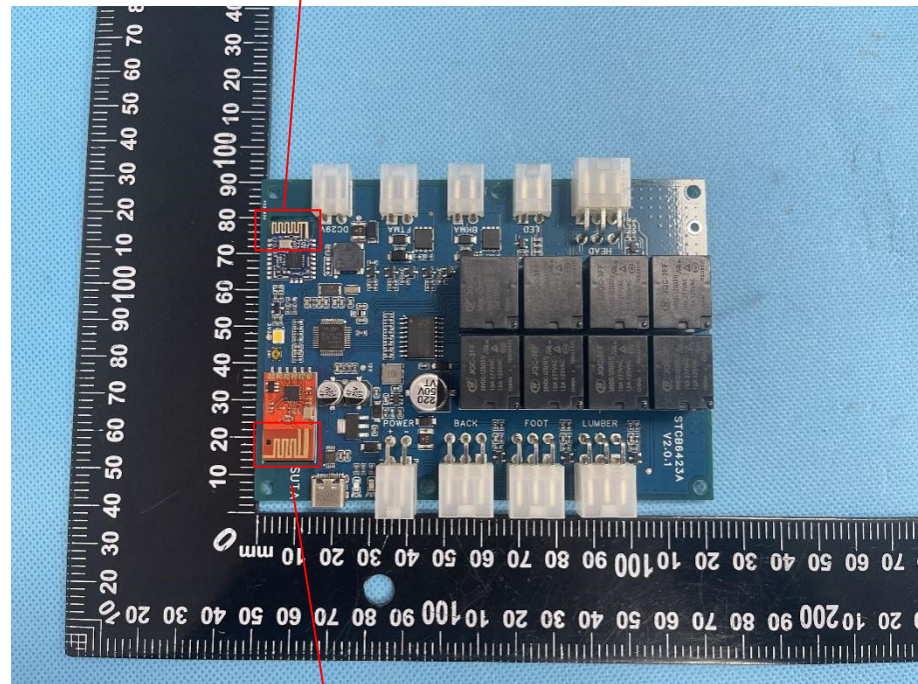

**EUT Housing and
Board View 2**

Solder Board-Component View 1	 A top-down photograph of a blue printed circuit board (PCB) assembly. The board is populated with various electronic components, including integrated circuits, capacitors, and resistors. A small red component is visible on the left side. The board is placed on a blue surface next to a black ruler with white markings in millimeters. The ruler is oriented vertically, showing measurements from 0 to 100 mm. The PCB has several white connectors along its edges. Labels like "SUTA", "POWER", "BACK", "FOOT", "LUMBER", and "STC89C23A V1.0.1" are visible on the board.
Solder Board-Component View 2	 A bottom-up photograph of the same blue printed circuit board (PCB) assembly. The underside of the board shows the solder pads and traces. The board is placed on a blue surface next to a black ruler with white markings in millimeters. The ruler is oriented vertically, showing measurements from 0 to 100 mm. The PCB has several white connectors along its edges.
