

Requirements for Label & Label Location

标签及其粘贴位置要求

Label size: 31mm*21mm

Content 内容:

2. Why the label is placed in battery compartment?

Because the product outer surface is not flat for label to stick on firmly. And the product is small.

3. How the FCC ID or label will be readily viewable at the time of the purchase?

The FCC ID will be placed on the product box label too.our Product sales are separate from the battery, customer need to install the battery before use. It is viewable at the time of the purchase.
