

On behalf of Tien Hsin Industries Co., LTD. | write to request the post-grant removal and permanent (long term) confidential treatment of the **Block Diagrams , Operation Description , schematic** to the equipment authorization application for FCC ID: 2ALMLKW12SF8412.

These materials contain trade secrets including sensitive technical and design information about our device that are not publicly available, and we would only share on a need-to-know basis, subject to non-disclosure agreements. If this information is disclosed, our competitors would gain an unfair commercial advantage over us by learning about our product design and development processes. This in turn would significantly harm our ability to compete in a highly competitive market space. In accordance with KDB 726920, we are therefore requesting that the FCC follow the procedure to grant permanent (long term) confidential treatment of the **Block Diagrams , Operation Description , schematic** and remove these materials from the FCC's public website. We acknowledge that the FCC has no obligation to remove confidential materials posted on third-party websites.

Please let me know if you have any questions or concerns. Thank you in advance for your time and support of our request.

Sincerely,

Signed:

A handwritten signature in blue ink, appearing to read 'Max Chiang', is written over a light blue rectangular background.

Printed name: Max Chiang
