LIMITED WARRANTY

This limited warranty covers defects in materials and workmanship in this product for twelve month (12) months for main device only.
The warranty obligations of BbTALKIN for this product are limited to the terms set forth below:
This limited warranty does not cover any damage, rusty USB part, deterioration or malfunction resulting from any alteration, modification, improper or unreasonable use or maintenance, misuse, abuse, accident, neglect, exposure to excess moisture, fire, improper packing and shipping, lightning, power surges, or other acts of nature. This limited warranty does not cover any damage, deterioration or malfunction resulting from the installation or removal of this product from any installation, any unauthorized tampering with this product, any repairs attempted by anyone unauthorized by BbTALKIN to make such repairs, or any other cause which does not relate directly to a defect in materials and/or workmanship of this product. This limited warranty does not cover cartons, equipment enclosures, cables or accessories used in conjunction with this product.
If this product is returned to BbTALKIN or the authorized dealer from which it was purchased or any other party authorized to repair BbTALKIN products, this product must be insured during shipment, with the insurance and shipping charges prepaid by you. If this product is returned uninsured, you assume all risks of loss or damage during shipment. BbTALKIN will not be responsible for any costs related to the removal or re-installation of this product from or into any installation. BbTALKIN will not be responsible for any costs related to any setting up this product, any adjustment of user controls or any programming required for a specific installation of this product.
It may damage your ears, if using too long or high volume sound. BbTALKIN will not be responsible.
It may damage the device to use third-party USB wire headphone or earphones etc. BbTALKIN will not be responsible.
Only the original purchaser of this product is covered under this limited warranty. This limited warranty is not transferable to subsequent purchasers or owners of this product.
How to Obtain a Remedy under this Limited Warranty
To obtain a remedy under this limited warranty, you must contact either the authorized BbTALKIN reseller from whom you purchased this product or the BbTALKIN office nearest you. For a list of authorized BbTALKIN resellers and/or BbTALKIN authorized service providers, please visit our web site at www.bbtalkin.com or contact the BbTALKIN dealer nearest you.
In order to pursue any remedy under this limited warranty, you must possess an original, dated receipt as proof of purchase from an authorized BbTALKIN reseller. If this product is returned under this limited warranty, a return authorization number, obtained from BbTALKIN, will be required. You may also be directed to an authorized reseller or a person authorized by BbTALKIN to repair the product. If it is decided that this product should be returned directly to BbTALKIN, this product should be properly packed, preferably in the original carton, for shipping. Cartons not bearing a return authorization number will be refused.
Limitation on Liability
THE MAXIMUM LIABILITY OF BbTALKIN UNDER THIS LIMITED WARRANTY SHALL NOT EXCEED THE ACTUAL PURCHASE PRICE PAID FOR THE PRODUCT. TO THE MAXIMUM EXTENT PERMITTED BY LAW, BbTALKIN IS NOT RESPONSIBLE FOR DIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM ANY BREACH OF WARRANTY OR CONDITION, OR UNDER ANY OTHER LEGAL THEORY. Some countries, districts or states do not allow the exclusion or limitation of relief, special, incidental, consequential or indirect damages, or the limitation of liability to specified amounts, so the above limitations or exclusions may not apply to you.

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Caution!

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
