FCC ID: 2ALO3MOCONNECT2

FCC E-Label Information:

1. According to FCC rule part 2.935 justification of using the alternative method of e-labeling for the product

Product is a smart watch with a built-in display.

2. According to KDB 784748 D02 e labeling v02 section 4, for devices with an integrated electronic display, or those devices that only operate in conjunction with another associated product that has an electronic display, below info has been stated in e-label and/or user manual.

A. User Steps to Access Information

Starting from Main or Home Menu:

Step 1 – Setting

Step 2 – System

Step 3 – Regulatory Information

- B. Products must not require special accessories or supplemental plug-ins (e.g., the installation of a SIM/USIM card) to access the information.

ID & regulatory info are built-in and End user can access the regulatory information without any installation or accessories.

Following info can be access from the display

Information	On case back	on E-label	In Manual
FCC ID number	Yes	Yes	No
FCC logo	No	No	No
15.19 statement (<i>"This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired"</i>	No	No	Yes
Class A / B Digital Device user manual statements	No	No	Yes
Caution to the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment	No	No	Yes

Also, above info can be read out from the product screen clearly without aid of a magnifier.

C. Regulatory Information must be Secure

The regulatory information and dedicated exclusive application(s) or script(s) will be secured and implemented in a factory-set-unalterable format.

The regulatory information will be capable of being retrieved and displayed locally and accessible to the end user. The info is in no way modifiable by the end user.

D. Physical and Temporary label for Purchasing and Importation

Although the e-label has been used, the information listed below will also be on the product, or a label on the packaging, at the time of importation, marketing, and sales.

1. FCC ID
2. FCC Logo
3. Brand name

E. Additional Considerations(Modular transmitters)

Device is not a modular device.
