WARNIN: Chang or modifications to this unit not expressly approved by the party responsible for compliance could void the user’ s authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
- No naked flame sources, such as lighted candles, should be placed on the apparatus

This device complies with FCC’s radiation exposure limits set forth for an uncontrolled environment

- Attention should be drawn to the environmental aspects of battery disposal
- The use of apparatus in tropical climates
- CAUTION
 - Danger of explosion if battery is incorrectly replaced.
 - Replace only with the same or equivalent type.
- A warning that batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

⎓: 直流输入，M2为5V/2A DC voltage , Input rating 5V/2A,

Ⓢ: 圈内数字代表产品的正常环保使用年限。
The circle number represents the normal environmental protection service life of the product.

♻ 该产品不能与其他生活垃圾一起处理或者丢弃，您需负责所有电子或者电气废弃物的处置，并将其放置到指定的手机店里面对有害废弃进行回收，确保人类健康和环境安全圈内数字代表产品的正常环保使用年限。

This product must not be disposed of or dumped with your other household waste.
