

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference to residential reception. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to some communications. However, there is no guarantee that there will be no such interference in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not expressly approved by manufacturer could void your authority to operate this equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. The device has been tested and found to comply with FCC requirements. This device can be used in portable exposure condition without restriction.

- Stream audio wirelessly via Bluetooth® technology in high, uncompromising quality from up to 33 ft. away.
- Rechargeable rechargeable lithium-ion battery provides hours of playing time whenever you go.

SPECIFICATIONS

- Rechargeable Rechargeable Lithium-Ion Rechargeable Battery
- Output Power: 5 W
- Input Voltage: 5 V
- Input Dimensions (D): 4.375 L x 4.375 W x 4.375 D
- Speaker Size: 2.0 x 1.5 x 1.5 in.

CONTENTS

- 1 Wireless Speaker
- 1 USB Charging Cable
- 1 User Manual

CHARGING THE BATTERY

The internal lithium-ion battery must be fully charged before first use of the speaker. To charge the battery, insert the micro-USB connector of the included USB cable into the charging input hole on the back of the speaker and plug the USB connector into either the USB port on a computer or into a compatible USB wall charger (not included). To charge through a standard wall outlet, the red LED indicator lights up during charging and will automatically go off when charging is complete. NOTE: When fully charged, power is low. The speaker must be recharged when, even while playing, the red light on the battery is observed above to resume normal operation.

WIRELESS SPEAKER OPERATION

Wireless playback Via Bluetooth

1. Make sure the battery is charged as explained above.
2. Turn on the speaker. When the speaker is powered on, the red light will turn on – this means the Bluetooth function is active and ready to connect to you. Bluetooth device after a minute of playing function, the LED light on Bluetooth function will turn off automatically. Before this step to try to connect again.
3. Activate Bluetooth function on your audio device. If the audio device supports the speaker and show you to select it using the name "Bluetooth". If required, enter the password "0000" to complete the wireless connection. When the speaker is connected, the red light will turn on and you can now use to enjoy wireless audio from within a 33 ft range of the audio device.
4. Turn on the audio player, play music/audio and adjust the volume of your audio device.
5. Turn the unit's power off when it is not in use.

NOTE: The speaker does not have any audio device power may cause poor operation and/or no Bluetooth connection. Fully charge the battery as advised above to resume normal operation.

CAUTION

- This is not a toy. Please keep away from small children.
- Please keep the unit away from water and heat.
- This unit is for indoor use only.
- Do not operate this unit with damaged plug.
