Federal Communications Commission
Authorization and Evaluation Division

Confidentiality Request regarding application for certification of FCC ID: 2ALZSKR210WMAE.

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

Exhibit Type	File Name
Block Diagram	KR210WMAE_block diagram.pdf
Schematic	KR210WMAE_schematics.pdf
Circuit Description	KR210WMAE_circuit_description.pdf
Internal Pictures*	KR210WMAE_internal_pictures.pdf

*Please note that the circuit boards and internal components shown in the Internal Photographs are fully enclosed within the device and are not accessible to end users under normal operation or installation. The electronics are permanently encapsulated in opaque potting material (the black material visible within the enclosure in the External Photographs), such that access to the circuitry would require destructive disassembly of the device.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Pursuant to DA04-1705 June 15, 2004 of the Commission's public notice, we also request temporary confidential treatment of information accompanying this application as outlined below for (PLEASE ENTER HOW MANY DAYS 45, 90, 180):
