Subject: Request for Confidentiality

FCC ID: 2AM5NM1000

To Whom It May Concern:

The information provided in this packet is highly confidential, because Magic Leap does not yet have a product for sale and much of this information constitutes proprietary information, technical data, and trade secrets that are highly valuable to Magic Leap.

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to treat the documented titled "Schematic Diagram", "Block Diagram" and "Operation Theory" as confidential documents, and withhold them from public disclosure indefinitely.

The above mentioned documents contain detailed system and equipment descriptions that Magic Leap considers confidential and proprietary information. Any public disclosure of above documents would cause harm to our company and may give our competitors an unfair advantage in the market.

In additional to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we request the commission to grant short-term confidentiality for the documents listed below (under Exhibit A) for 180 days from the date of the Grant of Equipment Authorization. If the authorized device is marketed before the end of the 180 day short-term confidentiality period, Magic Leap will notify the FCC.

Exhibit A

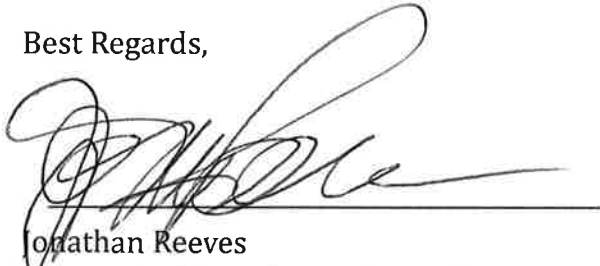

- Internal Device Photos
- Test Setup Photos
- User Manual

Magic Leap, Inc.

It is our understanding that all measurement test reports, FCC ID label format, and correspondence during the FCC certification review process cannot be treated as confidential, because that information will be available for public review once the grant of equipment authorization is issued.

If there is any additional information needed with our requests for confidentiality please contact us.

Best Regards,
