

Model Difference Statement

Our company: Streamax Technology Co., Ltd.

Product Name: Camera

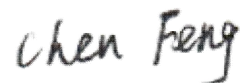

Main test product model: AD Plus2.0-NA

Series Model: AD Plus2.0-NAS

AD Plus2.0-NAS and AD Plus2.0-NA only differ in having single or dual lenses. AD Plus2.0-NA with dual lenses has one more camera than AD Plus2.0-NAS with single lens.

The rest of the main components, including the appearance, structure, circuit schematic, and PCB layout, are all the same.

Streamax Technology Co., Ltd.

A handwritten signature in black ink, appearing to read "Chen Feng".
