Dear Sir or Madam:

We, Fujian Newland Payment Technology Co.,Ltd. hereby declare: Product: Unattended Terminal, Model: U200 (FCC ID:2AM6U-NAU200).

The U200 comes in two versions: one with a TOF sensor and the other without a TOF sensor.The optional features all use the same model U200, and their technical structures are exactly the same, including the circuit diagrams, PCB layout, component and component layout, all electrical structures and mechanical structures are consistent. The only difference is that different models do not have the corresponding configuration circuit components on the PCB, there are no corresponding module units on the entire machine, and when there is a TOF (sensor) in the lower left corner of the entire machine, there are two round holes (for receiving and sending).

Apart from the differences above,we also declare that the products are identical.We confirm that to the best of our knowledge all the information provided above is true,and notice that the certification may be challenged if any of the information is proved to be inaccurate.

Sincerely,
