English

Thank you for buying this Pioneer DJ product. Please read these precautions for use so you will know how to operate your model properly. After you have finished reading the instructions, put them away in a safe place for future reference.

Features

This product is a pair of headphones with an excellent sound quality, durability and functionality optimized for DJ-ing.

CAUTION

This product is evaluated in moderate and tropical climate condition.

Do not touch the battery with bare hands.
When battery full gets into the case, refrain from rubbing them, immediately rinse them thoroughly with clean water, and then seek medical attention promptly.
Battery full gets into a body or clothes, immediately wash them sufficiently in clean water. Consult a doctor if inflammation or injury of the skin occurs.

Operating environment
Operating environment temperature and humidity:
+10°C to +40°C (52°F to +104°F), less than 80% RH (cooling with wet blockage)
Do not install the unit in a poorly ventilated area, or in locations exposed to sun humidity or direct sunlight (or strong artificial light).

Informational Note for Customers in EU Only:

Information for users on collection and disposal of old equipment and waste batteries

(Symbol for equipment)

(Symbol examples for batteries)

These symbols on the products, packaging, and/or accompanying documents mark used electrical and electronic products and batteries should not be mixed with general waste.
For proper treatment, recovery and recycling of old products and used batteries, please take them to appropriate collection points in accordance with your national legislation.
By disposing of these products and batteries correctly, you will help to save valuable resources and prevent any potential negative effects on human health and the environment which could otherwise arise from inappropriate waste handling.
For more information about collection and recycling of old products and batteries, please contact your local municipality, your waste disposal service or the point of sale where you purchased the items.
These symbols are only valid in the European Union.
For countries outside the European Union:
If you wish to discard these items, please contact your local authorities or dealer and ask for the correct method of disposal.

The graphical symbol placed on the product means alternative current.

The graphical symbol placed on the product means direct current.

The graphical symbol placed on the product means Class II equipment.

WARNING: Do not attempt to change the battery has and you do not want to replace your battery, you should follow the disposal instructions below. Do NOT attempt to change the battery has and you do not want to replace your battery, you should follow the disposal instructions below.

Never dispose of used batteries/electronics with ordinary solid wastes, since they contain toxic substances.
Do not dispose of used batteries/electronics in accordance with the provisions of local regulations that apply to the disposal of batteries/electronics. If there are no local regulations concerning batteries/electronics disposal, please dispose of the device in a waste bin for electronic devices.
Many electronic retailers now accept batteries and other electronic devices for no charge. Check to see which one in your area is so.

To protect against hearing loss, set your equipment's volume at a low setting, slowly increase it until you can hear it comfortably, and leave it flat. Do not turn up the volume so high that you can't hear sounds around you. Never use headphones while driving or at other reduced-visibility, which is illegal in many areas, or in any other situation where hearing is needed for safety.

Informational Note for Customers in U.S.A. and Canada Statement Only:

Important Notice: The model number and serial number of this equipment are on the speaker.

Record these numbers on your included warranty card and keep in a safe place for future reference.

This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.
