

MODEL: BH481A

Indicator light for charging case

USB-C charging port

Indicator light for earphones

MFB (multifunction button)

L R

The diagram illustrates the initial setup of the earbuds. On the left, an open charging case is shown with two earbuds inside. A red arrow points from the case to the right, where the two earbuds are shown side-by-side. The left earbud is labeled 'L' and the right earbud is labeled 'R'. A red dashed line connects the two earbuds at the top, with a blue snowflake icon above it. A red arrow points down to a green circle labeled 'ON' between the two earbuds, indicating the power button.

ES:

1. Saque 2 auriculares del estuche de carga, se encienden automáticamente (LED de Luz azul parpadeando) e ingresan al modo de emparejamiento.
2. Cuando los auriculares están apagados y no están en el estuche de carga, mantenga tocando simultáneamente el MFB de ambos auriculares durante 2 segundos para encenderlos (Indicador de LED azul parpadeando).

IT: 1. Mettere gli auricolari nella custodia di ricarica e si spengono automaticamente.
2. Se gli auricolari non si trovano nella custodia di ricarica, è sufficiente tenerli a premuto i MFB di entrambi gli auricolari per 5 secondi per spegnerli. (Modalità 2 non può essere eseguita durante la musica o chiamata.)

FR:

1. Les écouteurs se jumellent automatiquement (avec les voyants rouge et bleu clignotant rapidement sur l'écouteur droit) lorsqu'ils sont retirés du boîtier de chargement et choisissez « Mpow MBits S » sur votre appareil.
2. **Passer Manuellement en Mode d'Appairage:**
Lorsque les deux écouteurs ne sont pas dans le boîtier de charge et en

Finalmente, elija "Mpow MBits S" en su dispositivo.

quando la spia alternativamente da rosso e blu.

Diagram illustrating the touch gestures for the Apple Watch Series 3:

- Tap once (x1):** Answer a call.
- Mute:** Tap once (x1) on the Digital Crown to mute a call.
- Double Tap (x2):** End a call.
- Hold on 1s:** Hold the Digital Crown for 1 second to activate Siri.
- Siri (x3):** Triple Tap the side button to activate Siri.

Lautstärke - : Halten Sie die MFB-Taste am linken Kopfhörer gedrückt, um die Lautstärke zu verringern.

volumé - : Maintenez le bouton MFB de l'écouteur gauche plus longtemps pour baisser le volume

Siguiente canción: toque dos veces el MFB del auricular derecho.
Canción anterior: toque dos veces el MFB del auricular izquierdo.

Toccare una volta il MFB del qualsiasi di entrambi gli auricolari.

IT: Nello custodia di ricarica, tenere a premuto contemporaneamente i M di entrambi gli auricolari per 10 secondi. L'Indicatore LED lampeggerà in b

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
