Subject: Compliance Statement in User Manual

Dear Madams or Sirs,

We declare in the name of the applicant that the device with the above FCC ID will be integrated into Daimler Trucks. As it has no direct control elements or user interface, it will be only controlled through control elements of the truck. Therefore, the operation information will be included in the individual owner's manual of the truck. We hereby also assure that the following caution statements as per CFR 47 §15.19 and §15.21 are included in a prominent location of the owner's manual of the trucks.

Under the title "CAUTION TO USERS" or "FCC WARNING", "NOTE" or relevant title, the following statements will appear:

"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

"This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device."

"Minimum distance between the antennas and any person should be at least 20cm when the device is operational."

If you have any questions, please feel free to contact me.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Heinrichs'.
