

Solder Board-Component View 4	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 4'. The component is rectangular with four mounting holes at the corners. It features a central black integrated circuit (IC) and various other electronic components, including resistors and capacitors. The component is placed on a blue textured surface. A metal ruler is positioned vertically to the left of the component, showing a scale from 0 to 8 cm. Another metal ruler is positioned horizontally below the component, showing a scale from 0 to 8 cm. The component's dimensions are approximately 4 cm by 4 cm.
Solder Board-Component View 5	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 5'. The component is rectangular with four mounting holes at the corners. It features a central black integrated circuit (IC) and various other electronic components, including resistors and capacitors. The component is placed on a blue textured surface. A metal ruler is positioned vertically to the left of the component, showing a scale from 0 to 8 cm. Another metal ruler is positioned horizontally below the component, showing a scale from 0 to 8 cm. The component's dimensions are approximately 4 cm by 4 cm.
