Subject: Label Justification Letter for FCC ID: [2AMKE-BS-T20]

Product: [Black Shark Open Ear Pro] / [BS-T20]

Dear Sir or Madam,

We request approval to place the FCC ID in the user manual and on the packaging (or a removable label) instead of on the device itself.

Justification: The device is too small to label with a font size of four-points or larger, and it does not use electronic labeling.

Alternative Labeling: Per 47 CFR §15.19(a)(5), the FCC ID will be placed in the user manual and on the device packaging (or a removable label attached to the device). See the " T20-Color box and manual" exhibit for details.

Sincerely,

Xianming Xu
