WARNINGS

Before installing this "Company's" warranty to the original retail purchaser of this Product, that should this Product be any part thereof, under normal conditions, be purchased, or be purchased and installed within twelve (12) months from the date of original purchase, such defect(s) shall be repaired or replaced with equivalent Product at no cost to the purchaser. This warranty shall be void if the Product is not purchased at the discretion of the Company without charge for parts and repair labor. To obtain the maximum benefit of this warranty, the purchaser must register this Product to be delivered with proof of warranty coverage (e.g. dated bill of sale), specify date of delivery, transportation provided, and the Company at the address provided as set forth above.

This warranty, as set forth above, may be extended for an additional six (6) months for a total warranty period of up to fifteen (15) months by registering the Product with the Company. In order to register the Product, the original retail purchaser must complete and return the registration documents provided along with the Product to the Company or register the name of the purchaser and the address to which delivery was made (90 days of the date of the original purchase).

This Warranty does not apply to any product or part thereof which, in the opinion of the Company, has suffered or been developed through alteration, improper installation, handling, misuse, neglect, accident, or by removal or replacement of the factory specified parts (see code labels). THE EXTENT OF THE COMPANY'S LIABILITY UNDER THIS WARRANTY IS LIMITED TO THE REPAIR OR REPLACEMENT OF DEFECTIVE AND, IN NO EVENT, SHALL THE COMPANY'S LIABILITY EXCEED THE PURCHASE PRICE PAID BY PURCHASER FOR THE PRODUCT.

THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES OR LIABILITIES, ANY IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, WHICH ARE LIMITED TO THE EXTENT OF THIS WRITTEN WARRANTY. ANY ACTION FOR BREACH OF THIS WARRANTY OR MERCHANTABILITY MUST BE BROUGHT WITHIN A PERIOD OF 90 MONTHS FROM DATE OF ORIGINAL PURCHASE. IN NO CASE SHALL THE COMPANY BE LIABLE FOR ANY CONSEQUENTIAL, OR INCIDENTAL DAMAGES, OR BREACH OF THIS OR ANY OTHER WARRANTY. No person or representative is authorized to assume for the Company any liability other than expressed herein in connection with the sale of product.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damage, so the limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

SAFETY INSTRUCTIONS

FAILURE TO CAREFULLY FOLLOW THESE INSTRUCTIONS MAY LEAD TO SERIOUS PERSONAL INJURY AND DAMAGE TO YOUR PRODUCT.

General instructions

- DANGER: NOT FOR USE BY CHILDREN UNDER THE AGE OF 18.
- For fire and personal safety, always use this product as intended, as a nuisance or set forth herein.
- For indoor use only. Outside usage shall be construed as a misuse as set forth herein.
- Read, keep and follow the instructions carefully.
- Heed all warnings.
- Electrical equipment should never be kept or stored in rain or damp environments. Storage of the Product under the aforementioned conditions shall be construed as neglect as set forth herein.
- Unplug the product during lightning storms or when unused for long periods of time. Any extension cord should be construed as a neglect as set forth herein.
- When servicing only use identical replacement parts, as specified by the manufacturer. Using any other parts shall be construed as a misuse as set forth herein.
- Do not expose to direct sunlight and do not install near any heat sources such as radiators, heat registers, stoves, or other appliances that produce heat. Conducting any of the foregoing shall be construed as a misuse as set forth herein.
- Before use, clean the product. Failure to clean Product prior to its use may cause moisture to condense on set forth herein.
- **DO NOT PLUG IN THE CLEAN UNIT IF IT TURNED OFF COMPLETELY.**
- **DO NOT STORE FOOD OR LICKS IN THE PRODUCT.**
- Do not attempt to expose the aquating water. DO NOT place objects on top of the product. Conducting any of the foregoing shall be construed as a misuse as set forth herein.

Special instructions

- Before every usage, ensure that your power source provides the required voltage.
- Do not clean the device with chemicals such as alcohol, benzene, thinner or acids. Cleaning the device with the aforementioned shall be construed as a neglect as set forth herein.
- Do not place the device in contact or dirty areas, any of the foregoing shall be construed as a neglect as set forth herein.
- Always disconnect the power supply if you are not using the device for an extended period of time.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Note: The CANARIE has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. EN	WARNING
	CAUTION RISK OF ELECTRIC SHOCK DO NOT OPEN  CAUTION TO REDUCE THE RISK OF ELECTRIC SHOCK AND SERIOUS PERSONAL INJURY, DO NOT REMOVE ANY COVER OR USER SERVICE PARTS INSIDE. NEVER SERVICE TO QUALIFIED SERVICE PERSONNEL ONLY. WARNING: TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS PRODUCT TO WATER, RAIN OR MOISTURE. 
	 Exercise caution with lightning plug installation in houses. DANGEROUS VOLTAGE: The lightning strike can cause an electrical surge within the explained triangle is released to alert the user to the presence of potential dangerous voltage before the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock hazard.  Exercise caution with recirculation pump plug installation in houses. ATTENTION: The recirculation pump which the explained triangle is intended to alert the user to the presence of important operating and maintenance handling instructions in the literature accompanying this product.
	CAUTION To reduce the risk of electric shock do not mix this plug with an extension cord or receptacle. California Proposition 65 Warning: The product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. California law requires this warning to be given to customers in the State of California. Ventilation Warning: Do not block any ventilation opening by situating the product in a shelf, sofa or similar surface that may block the ventilation openings or place it back in installation. The product should be situated so that its location or position does not interfere with its proper ventilation.

- Always handle the device carefully.
- If the power cord is damaged, it must be replaced by the manufacturer, an authorized specialist company, or a similarly qualified person. Any repair efforts not performed by a qualified service personnel will not constitute an alteration in any form hereunder.
- NEVER OPERATE THIS DEVICE IF THE BATTERY HAS BEEN DAMAGED, IS NOT WORKING PROPERLY, HAS BEEN DROPPED ONTO A SURFACE OR INTO WATER WHILE PLUGGED IN OR IF THE POWER CORD OR ANY OTHER CABLE IS DAMAGED.

DELIVERY CONTENTS

- 1 x 2.5" subwoofer
- 1 x center speaker
- 4 x satellite boxes
- Remote control

CONNECTING COMPONENTS

- Connect the center device to the yellow RCA connector.
- Connect the speakers to the white and red RCA connectors.
- Connect either 2 5-ohm devices, such as TVs or 51 devices to the AUX.

Bluetooth connection

1. Turn on the search function on the Bluetooth device from which you want to pair the play.
2. Press the **MODE** button until AUX appears in the display.
3. Activate the Bluetooth function of the media player.
4. On your Bluetooth device, select "AUX" and make the connection, if a password is required, enter "0000".

OPERATION

1. Connect the subwoofer to a 110V power source.
1. Turn on the subwoofer via the Power button.
1. If you have connected 3.5 sources, press the 3.5 AUX button.
1. Press the **PLAY** button to start the playback of the menu button.
1. Use Vol+ and Vol- to adjust speaker volume.
6. Steps 2-5 can also be performed using the included remote control.

INDICACIONES DE SEGURIDAD

EL INCUMPLIMIENTO DE ESTAS INSTRUCCIONES PUEDE PROVOCAR LESIONES PERSONALES GRAVES Y DAÑO AL PRODUCTO.

Instrucciones generales

- PELIGRO. NO PERMITA QUE NIÑOS MENORES DE 10 AÑOS UTILICEN EL PRODUCTO.
- Paso uno obligatorio y pre-requisito. Cualquier error de los intérpretes como los operadores, tal como se establece en el presente documento.
- Sólo para uso en el interior. El uso del producto en el exterior se interpretará como uso indebido, tal como se establece en el presente documento.
- Las, quales y/o que adelantarse las Instrucciones.
- Preste atención a todas las advertencias.
- Nunca avance ni gire el eje de la espiga del eje en entornos húmedos o húmedos. Avance el producto en condiciones antes de ser interpretado como negligencia, tal como se establece en el presente documento.
- Desconecte el aparato cuando termine cualquier sesión o si no lo va a utilizar durante periodo largo de tiempo. Cualquier acción contra la doctrina se interpretará como negligencia, tal como se establece en el presente documento.
- Al evaluar inspecciones, sólo inspeccione piezas de repuesto idénticas a las originales. El uso de cualquier otro tipo de repuesto como alternativa, tal como se establece en el presente documento.
- No exponga el aparato a la alta directiva del sol o la intemperie entre de febrero del año. Sólo use los cubreobjetos, partes de repuesto de calidad, estúdios como aparatos que produzcan calor. Cualquiera de las acciones durante antirradiación de radiación de radiación de radiación, tal como se establece en el presente documento.
- Coloque el aparato sobre una superficie sólida.
- Evite introducir el aparato en el agua.
- El aparato NO debe exponerse a vapores o volátiles de agua. NO coloque ningún objeto sobre el aparato. Cualquier acción contra la doctrina antes mencionada se interpretará como negligencia, tal como se establece en el presente documento.

Instrucciones especiales

- Antes de cualquier uso, asegurese de que su tomo de corriente corresponde a la tensión requerida.
- No limpie el aparato con productos químicos como alcohol, gasolina, disolventes de agua, o limpiadores de agua.
- No exponga el aparato a la alta directiva del sol o la intemperie entre de febrero del año. Sólo use los cubreobjetos, partes de repuesto de calidad, estúdios como aparatos que produzcan calor. Cualquiera de las acciones durante antirradiación de radiación de radiación, tal como se establece en el presente documento.
- No coloque el aparato en lugares húmedos o resaca. La colocación del aparato en uno de los lugares mencionados se interpretará como
