

REMOTE CONTROL ITALIA CIRCUIT RACER

AGES
6+

OPERATING INSTRUCTIONS

- I** Carefully remove items from package. Disconnect "Try Me" cable from the car.

- II** The Racer's internal 9.6V rechargeable battery pack will need to be fully charged before play. To charge the battery, connect the battery pack to the included charging adapter. To insert battery, remove battery cover, insert and connect power lead to the car then replace battery cover and tighten screw.

- III** Use a Phillips head or Cross screwdriver to open the battery compartment at the base of the remote. Insert 2 1.5V "AA" batteries according to the diagram inside the battery tray. Replace battery cover and tighten screw.

- I** Slide the power switch on the underside of the car to the ON position. For silent play, slide the power switch to the MUTE position.

- II** Turn the remote ON. The Pairing/Power Indicator light on the remote will flash until it pairs up with the Racer. Once paired, the light will turn off. It will light whenever the remote is being used to control the Racer.

Turn Left

Turn Right

Steering Adjustment

- If the vehicle does not drive straight, use the adjustment dial between the front wheels.

SAFETY PRECAUTIONS

- Avoid water when operating.
- Do not submerge car or controller in water.
- Do not use people or animals as obstacles.
- Do not run car into furniture objects or hard surfaces as this will cause damage to both the objects and car.
- Keep fingers, hair and loose clothing away from the tires, gears and motor while car is switched to "ON".
- Do not leave car or transmitter near sources of heat or under direct sunlight for long periods of time.
- Remove all batteries when not in use to avoid accidental operation.
- Adult supervision is recommended when operating car.
- Thoroughly inspect products before every use. If the product appears worn, frayed/splintered, cracked, or broken in any manner, discontinue use and discard immediately.

RECHARGEABLE BATTERY WARNING:

- There is a risk of fire and personal injury if battery is punctured, damaged, or misused.
- Do not dismantle, crush, incinerate or short-circuit battery.
- Never expose battery to extreme temperatures or moisture.
- Keep away from flammable materials and direct sunlight.
- Only charge using the provided charger, cable, and/or adapters.
- Rechargeable battery is only to be charged by an adult.
- Adult Supervision of the battery while it is charging is required.
- Allow battery to cool to room temperature before charging.
- Charge on a non-flammable surface and keep away from flammable products.
- Discontinue charging if battery becomes hot, swells, smokes, or gives off a strong odor.
- Battery chargers used with the product are to be regularly examined for damage to the cord, plug, enclosure, and other parts, and in the event of such damage, they must not be used until the damage has been repaired.
- Remove batteries before storing.
- Recycle or dispose of battery according to federal, state, and local laws.
- Keep these instructions for future reference.

BATTERY WARNING:

- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.
- Alkaline batteries are recommended. Use only the specified voltage.
- Insert batteries using the correct polarity. Always use, replace, and recharge (if applicable) batteries under adult supervision.
- Do not charge with non-rechargeable batteries.
- Do not short-circuit the battery supply terminals.
- Do not dispose of batteries in a fire, batteries may explode or leak.
- Remove batteries before storing.
- Recycle or dispose of batteries according to federal, state, and local laws.
- Keep these instructions for future reference.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
