Product Installation · Installation du produit · Installazione del prodotto · Produktinstallation · Instalación del producto

A. Dashboard · Tableau de bord · Cruscotto · Armaturenbrett · Tablero

Choose a flat mounting location on your vehicle's dashboard and wipe the surface clean. Peel off the film on the dashboard pad and evenly press onto the desired installation location for 30 seconds.

Choisissez un emplacement de montage à plat sur le tableau de bord de votre véhicule et nettoyez la surface. Décollez le film sur la plaquette du tableau de bord et pressez fermement sur l'emplacement souhaité pendant 30 secondes.

Scegli una posizione di montaggio piana sul vostro cruscotto, e pulire bene l'area. Rimuovere la pellicola protettiva dal dispositivo e premere fermemente per 30 secondi nella zona di montatura desiderata.

Wählen Sie eine flachen Befestigungsstelle auf dem Armaturenbrett Ihres Fahrzeugs und machen Sie die Oberfläche sauber. Ziehen Sie die Folie vom Armaturenbrett-Pad ab und drücken Sie es 30 Sekunden lang fest auf die gewünschte Stelle.

Elija un lugar de montaje plano en el tablero de su vehículo y limpie la superficie. Despegue la película de la almohadilla del tablero y presione firmemente sobre el lugar de instalación deseado durante 30 segundos.

Wait 20 minutes, then remove the plastic cover from the suction cup and firmly press onto dashboard pad. Push the lever down to engage suction.

Retirez le cache en plastique de la ventouse et poussez le levier vers le bas pour engager la succion.

Rimuovere la copertura di plastica dalla ventosa e spingere la leva verso il basso per innestare l'aspirazione.

Entfernen Sie die Kunststoffabdeckung vom Saugnapf und drücken Sie den Hebel nach unten, um die Saugwirkung zu aktivieren.

Retire la cubierta de plástico de la ventosa y empuje la manija hacia abajo para activar la succión.

EN If your vehicle has a leather dashboard, we recommend mounting on the windshield to avoid damaging your dash.
FR Si votre véhicule est équipé d'un tableau de bord en cuir, nous vous recommandons de le fixer sur le pare-brise pour éviter d'endommager votre tableau de bord.
IT Se il cruscotto del vostro veicolo dovesse essere in pelle, per evitare danni al cruscotto si raccomanda la montatura sul vetro.
DE Wenn das Armaturenbrett Ihres Fahrzeugs aus Leder ist, empfehlen wir Ihnen die Befestigung an der Windschutzscheibe, damit das Armaturenbrett nicht beschädigt wird.
ES Si su vehículo tiene un tablero de cuero, recomendamos que lo montés en el parabrisas para evitar daños.

B. Windshield · Pare-brise · Parabrezza · Windschutzscheibe · Parabrisas

Choose a mounting location on your vehicle's windshield and wipe the surface clean. Do not use the dashboard pad when mounting on the windshield.

Ne pas utiliser le tableau de bord pour le montage du pare-brise.

Non utilizzare l'imbottitura del cruscotto per il montaggio sul parabrezza.

Verwenden Sie das Armaturenbrett nicht zur Befestigung der Windschutzscheibe.

No use la almohadilla del tablero para montar el dispositivo en el parabrisas.

Remove the plastic cover from the suction cup and firmly press onto the windshield. Push the lever down to engage suction.

Retirez le cache en plastique de la ventouse et poussez le levier vers le bas pour engager la succion.

Rimuovere la copertura di plastica dalla ventosa e spingere la leva verso il basso per innestare l'aspirazione.

Entfernen Sie die Kunststoffabdeckung vom Saugnapf und drücken Sie den Hebel nach unten, um die Saugwirkung zu aktivieren.

Retire la cubierta de plástico de la ventosa y empuje la manija hacia abajo para activar la succión.

MAGSAFE COMPATIBLE

EN Only compatible with MagSafe iPhone series and MagSafe phone cases. **FR** Uniquement compatible avec la série et les étui iPhone MagSafe. **IT** Compatibile solo con la serie MagSafe di iPhone e custodie. **DE** Ausschließlich kompatibel mit der MagSafe iPhone-Reihe und dem entsprechenden hüllen. **ES** Solo es compatible con la serie y fundas MagSafe para iPhone.

Declaration of Conformity (FCC)

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. You can refer to the following completed FCC warnings.

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference.
- 2) This device must accept any interference received, including interference that may cause undesired operation.

Note

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

-English Warning Statement:

RSS-GEN ISSUE 5, 8.4 User manual notice

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

The digital apparatus complies with Canadian CAN ICES-3 (B)/NMB-3(B).

-French Warning Statement:

RSS - Gen version 5, 8.4 avis du manuel de l'utilisateur

Cet appareil contient un émetteur / récepteur sans licence conforme au RSS sans licence d'innovation, science et développement économique Canada. L'opération doit satisfaire aux deux conditions suivantes:

Cet équipement peut ne pas causer d'interférence.

L'équipement doit accepter toute interférence, y compris toute interférence qui pourrait entraîner un fonctionnement indésirable de l'équipement.

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment and meets RSS-102 of the IC radio frequency (RF) Exposure rules. This equipment has very low levels of RF energy that are deemed to comply without testing of specific absorption ratio (SAR). Cet équipement est conforme aux limites d'exposition aux rayonnements énoncées pour un environnement non contrôlé et respecte les règles d'exposition aux fréquences radio électriques (RF) CNR-102 de l'IC. Cet équipement émet une énergie RF très faible qui est considérée conforme sans évaluation du débit d'absorption spécifique (DAS).

This equipment should be installed and operated with minimum distance 10cm between the radiator & your body.

Lors de l'installation et du fonctionnement de cet équipement, la distance minimale entre le radiateur et le corps doit être de 10 cm.
