WiFi Antenna

The image shows the interior of a white electronic device chassis. A transparent plastic cover is partially open, revealing internal components. A black WiFi antenna module is mounted on the left side, with a red arrow pointing to it from a label at the bottom. The antenna is labeled 'TAOGLAS' and 'FXP 831 Freedom 2.4/5GHz With Dual Band'. Various other components are visible, including a green circuit board with multiple connectors, a black power switch, and several cables. Two grey fabric straps with red numbers '8' and '6' are visible on the right side. A white label with the number '2LE' is attached to a cable at the top.
